# Comfortable

The Dr. Owen L. Murphy Apartments are garden-style apartments designed for unassisted, comfortable living for people age 62 and older or for those receiving Social Security Disability. A lovely Community Building features a fireplace, laundry facility and a library. The Community Building is also used by residents for social activities meetings, and holiday parties.

“It’s like one family with the two properties.”

## Services Include:

- » Laundry facilities.
- » Full-time maintenance.
- » Dial-A-Ride Service provided by Simsbury Social Services.

# Friendly

Our Resident Services Coordinator is an advocate for residents to take advantage of supportive and Social Service programs. We work with residents and families to ensure successful transitions into our communities. We offer a variety of social activities and informational forums to benefit our resident’s well-being.

# Affordable

Our residents can relax in either of two gazebos and visit with their neighbors. The Dr. Owen L. Murphy Apartments is nestled among 13 beautifully wooded acres, conveniently located on Route 10 in Simsbury, Connecticut. We are committed to providing a safe, caring and affordable environment in which our residents can maintain their independence.

“You meet a lot of nice people here.”
