

Simsbury Police Department

“In Partnership With Our Community”

Notice to Simsbury Residents

Recently, some vehicles were entered into and items were stolen at residences on Sunset Hill Road, David Drive, Whynwood Road and Nod Brook Drive. There was also some criminal mischief to vehicles, mailboxes and houses on Whynwood Road, Wheeler Road, Evans Drive and Nod Brook Lane. These entries and criminal mischief occurred during the late nighttime hours from Sunday evening August 8 through the early morning hours of August 11, 2011.

The Simsbury Police Department is actively investigating the events and working to apprehend the offenders and prevent further criminal activities. As a reminder, we suggest that everyone takes general precautions. For instance, do not leave valuables in your vehicles, lock your vehicles, use exterior lighting (both constant and motion sensitive) and call the police when you hear unusual noise or see unusual activity (people talking or barking dogs at night, people walking around late at night, etc.).

If you have any information in reference to these events, please contact Officer Todd Kushman at 860-658-3100.
