Simsbury Farms Complex Committee

Minutes: October 8, 2009

Present: Erwin Marques, Dennis Fallon, Mark Lubetkin, Antonio Braz, Ron

Patterson, Tom West

Guests: David Richman, Tom Hayden (piXel networX), Gerry Wetjen (Men's

Club).

Town: John Hampton, Gerry Toner

Minutes: The minutes were approved with the following clarification. Pool: add the following sentence - Pool rates for the 2010 season will be recommended at a subsequent meeting...

Advertising Proposal: David Richman (piXel networX) presented an advertising concept which would be used at the golf course and hockey rink. The committee voted to proceed with the screenshare proposal. It was noted that this advertising concept may be appropriate in other Town locations pending its success at Simsbury Farms.

Access Road: The town has been awarded \$200k in state funding to complete the construction of the gravel access exit road from the golf course. A preliminary schedule for this work will be available for review next month.

Golf Course Survey: Copies of the proposed survey were distributed for review. The survey will be released with those changes recommended by committee members.

Memorial Pool: A subcommittee was formed (Marc Lubetkin, Dennis Fallon, Ron Paterson) to study the future role of the Memorial Pool facility.

Maintenance Facility: A proposed construction schedule was released. Completion is scheduled for 3/1/10.

Revenue Report: Golf revenues are approximately the same as last year. It was noted that non resident rounds played were 17% which raises the question – how do we attract more non resident players?

Other Business: Website discussions continue.

Meeting adjourned at 8:50pm

Tom West.
