Dear Mr. Ostop,

For personal reasons, I can no longer represent the Board of Education of Simsbury Public Schools on HACTAC. Effective June 19, 2013, please let this serve as my official letter of resignation.

Sincerely,

SUBJECT: RESIGNATION

I will resign from my position on the Hartford Area Cable TV Advisory Council effective September 30, 2013. Since I RETIRED June 30 I find my days chock full of non-commitments, no meetings, no titles, responsibilities or duties, no politics, no calendar. HACTAC is the last organization from which I will resign – now there are none left. I am enjoying life as a totally emancipated wage slave and unencumbered free bird. WOW – lovin every minute.

HACTAC has been a blast.

My best to all.

Engage Students in Your Community, Strengthen Ties With Educators, Partner with C-SPAN on StudentCam!

To celebrate StudentCam's 10th anniversary, C-SPAN is happy to announce we have **DOUBLED** the number of student prizes and prize money. This year we will be giving out 150 student prizes, 53 teacher prizes, and \$100,000 in cash prizes!

StudentCam has proved to be an incredibly successful and important partnership with our cable affiliates by providing a great way for you to enhance ties to local schools and educators. We have put together a variety of resources to make promoting the competition easy for you. Additionally, we work hard to visit many communities and winning schools in the spring to work with you and your local community on congratulating these students winners.

Customizable resources can be found on our [website](#), including:

- Customizable cross-channel spot
- StudentCam press release
- Template letter for educators/key contacts
- Social media ideas for you to tweet or use as a Facebook status update
- StudentCam images, including a downloadable banner and logo to increase awareness for the competition via your website, social media outlets, print, and other promotional materials

For this year's StudentCam documentary competition, C-SPAN is asking students to consider what's the most important issue the U.S. Congress should consider in 2014, and create a five- to seven-minute video documentary explaining why.

Additionally, there have been a few changes to the competition this year:

- Documentaries must be between 5-7 minutes. (That's one minute shorter than last year!)
- High school entries are divided into three regions - West, Central, and East - and each region is judged separately; middle school entries are judged nationally.
- We have doubled the number of students prizes to 150, increased the number of teacher prizes to 53, and are awarding \$100,000 in prize money.

Please visit the [StudentCam](#) website for details on the competition and past winners.

This year's competition ends on January 20, 2014, so start promoting today!
