ADDENDUM #1 TO REQUEST FOR PROPOSALS BULKY WASTE AND RECYCLING TRANSFER FACILITY

The following responses are made in response to written questions received. All responses are intended to clarify the original document and are **NOT** intended to replace any portion of the RFP, unless specifically noted.

1. Submission Requirements:

a. Page 4, Item 7, Site Conditions:

What is required by the SBWF operator as part of the Town's storm water permit?

The Town will provide a copy of the Stormwater Management Plan to the operator with a copy of our Solid Waste Permit. Operator will be required to comply with operating guidelines of the permit and implement best management practices included as part of the Stormwater Management Plan. All required sampling and reporting required under the General Permit for the Discharge of Stormwater Associated with Industrial Activity for the transfer station will be completed by the Town of Simsbury at their expense.

b. Page 4, Item 11, Subcontractors:

What is the Town's definition of a subcontractor?

A private company or individual working directly for the Operator.

2. Operations Guidelines:

a. Item 7:

Are there any changes to the current Town's Transfer Station Permit for the Connecticut DEEP? If so, please advise what these specific changes are.

The renewal of the existing permit is currently being completed by the Connecticut Department of Energy and Environmental Protection. Any changes to the existing permit will be reviewed when the permit is issued and changed will be incorporated into the contract under this Request for Proposals. No substantial changes are anticipated under the new permit.

- 3.** Will the RFP be publicly read and available for public review at the time of the RFP opening?

Yes. The bid opening will take place in the Main Town Meeting Room, Town of Simsbury Town Hall, 933 Hopmeadow Street, Simsbury, CT at 12:00 Noon (EDT), Tuesday, June 3, 2014.

- 4.** Who has received the RFP?

The notice of this Request for Proposals and the RFP has been made available on Town's website and on the State of Department of Administrative Services web site.
