

Exemptions for Veterans, Service Members or Survivors; and

Tax Relief for Elderly Homeowners or Totally Disabled Homeowners:

Each program's features and benefits are summarized in the tables inside this brochure.

For dates of qualifying wartime service, contact the assessor's office or see the assessor's page on the town web site at:

<http://www.simsbury-ct.gov/assessor>

Motor Vehicle Exemption for Service Members

For these residents an exemption is provided for one motor vehicle. Filings must be made no later than **December 31** of the year in which the car tax bill became due. Contact the assessor's office for further information.

Service Members Civil Relief Act

This is a federal law which exempts the personal property of those stationed in one state, but domiciled elsewhere. An affidavit is required.

Other Exemptions:

Property of Totally-Disabled Persons

Property to an assessment of \$1,000 is exempted for one who has been found eligible for Social Security benefits on the basis of permanent and total disability, or who, if not covered under Social Security, qualifies under a corresponding program. Residents who are 65 and over, and but for age, would qualify for Social Security disability benefits are also eligible.

Residents must apply once to the assessor by January 31 in order to be effective on the following July's tax bill. The appropriate proof, such as an award letter, must accompany the application.

Qualifying for this exemption is preliminary to qualifying for the Tax Credit for Elderly or Totally Disabled Homeowners for those who are under the age of 65.

Tax Exemptions for Lower-Income Blind

This exempts an additional assessment of \$2,000 for legally blind taxpayers whose 2010 income does not exceed \$39,500 if married, or \$32,300 if single. This is in addition to the \$3,000 exemption for the blind, for a total \$5,000 exemption.

The exemption requires a certificate of legal blindness from the state Board of Education and Services for the Blind. Both the certificate and the application for the additional exemption are due by **October 1**. The income-related application only, (not the certificate of legal blindness) must be made annually by October 1.

Fifty Per Cent Exemption for a Motor Vehicle retrofitted for use by handicapped persons.

This exempts 50% of the assessment for specially outfitted vehicles, such as those having lifts. Apply once to the assessor's office for each qualifying vehicle.
