

# Simsbury Police Department

*"In Partnership With Our Community"*

## **Number Your House**

Due to the high volume of snow this winter, the Town of Simsbury would like to remind residents to post highly visible property numbers on your house and/or property. It's especially hard for first responders to find house numbers on mailboxes that have been covered in snow. These numbers should be highly visible, reflective, not less than 3 inches in height and visible from the street. Proper numbering will help to provide prompt services from the police, fire and ambulance departments, especially during an emergency. All members of public safety have experienced both the benefits of numbered properties and the delays and frustrations with not locating a property with ease.

Click [here](#) to view the town ordinance on property numbering on the website ([www.simsbury-ct.gov](http://www.simsbury-ct.gov)). Open the Town Code Book and go to Chapter 112.

If you have any questions or you are in need of assistance locating or posting numbers for your property, contact Community Service Officer Lauren Devin at 860-658-3131.
