

SPEEDING IS SOCIALLY UNACCEPTABLE!

The Simsbury Police Department is responsive to the requests of its town's citizens. The Police Department has been receiving an ever increasing number of resident complaints about speeding vehicles in its neighborhoods. During the summer months, and throughout the year, the Simsbury Police Department will be aggressively enforcing the speed limits on its roadways. The Simsbury Police Department would like to take this opportunity to reassure the residents of Simsbury that we share your concern and that we are committed to making Simsbury a safe community.

NO EXCUSES!
