Rachel:  
We would like to give the commission an extension until January 27, 2015. Hope this suffices.

Greg:

We have on record that you granted an extension to the Planning Commission until tomorrow, Dec 23<sup>rd</sup>. They will next meet on January 13<sup>th</sup>.

At this point, 21 days of the maximum 65 days of extensions have been used.

I would recommend giving the commission an extension until January 27<sup>th</sup>. That is the maximum extension that can be granted within the Commission's regularly scheduled meetings (56 days of total extensions) and leaves time for a second meeting just in case.

Best wishes,

Rachel
