TEDESCHI TRUCKS BAND

Tedeschi Trucks Band is an 11-member collective that thrills audiences worldwide with its transcendent live performances and award-winning albums. Formed in 2010 by husband-and-wife **Susan Tedeschi** and

Derek Trucks, and featuring two harmony singers, a three-piece horn section, keyboards, bass and a pair of drummers, TTB disproves the adage “less is more” while building a devoted following of fans and critics alike.

Just three years in, Tedeschi Trucks Band has toured extensively throughout the U.S., Canada, Australia, Europe, and Japan, headlining the venerable Newport Jazz Festival, co-headlining tours with B.B. King and The Black Crowes, and playing to packed houses in the world’s most celebrated venues from Red Rocks Amphitheatre and the Beacon Theatre to the Hollywood Bowl and Royal Albert Hall. TTB’s debut release *Revelator*, produced at the couple’s Swamp Raga home studio, earned both a Grammy and Blues Music Award while 2011’s dynamic live follow-up, *Everybody’s Talkin’*, delivered a double-disc classic reminiscent of legendary concert recordings like *Mad Dogs and Englishmen* and The Allman Brothers Band’s *At Fillmore East*. Currently the band is touring in support of its second studio effort, *Made Up Mind*, which entered the Billboard 200 at #11 and was hailed by *Rolling Stone* as “equal parts Stax and Muscle Shoals without dilution of either.”

Emerging as one of the most respected guitarists of his generation, Trucks led his own **Derek Trucks Band** for over 15 years prior to teaming with Tedeschi. Presently and for the past 13 years the Florida native also performs as a full member of **The Allman Brothers Band** and has toured with both Eric Clapton and Carlos Santana. Additionally as the youngest musician to make the list, the slide guitar wunderkind was voted #16 of the top 100 Guitarists of All Time (Rolling Stone - November 2011) by a panel of fellow musicians and industry experts.

No stranger to center stage herself, singer-guitarist Susan Tedeschi started playing in bands in her hometown of Boston at age 13. Her knack for combining American roots music, particularly electric blues, Southern soul, and gospel, with passionate, awe-inspiring vocal prowess has resulted in a prolific solo career full of award-winning records, six Grammy nominations, and a devoted following. Blessed with a voice that ranges from powerful R&B belters to gentle ballads, Tedeschi is a talented guitarist as well, her style alternately recalling post-war electric blues and Hendrix-inspired rock.

Easily capable of shining as individuals, this ensemble of 11 is concerned more with the sound than the spotlight. Sharing a level of respect and camaraderie rarely found in rock and roll, Tedeschi Trucks Band has found a magical combination that delivers nightly an unforgettable, can’t-miss concert experience, one the *Boston Herald* says, “booms like a soul thunderclap.” For these musicians and their audiences, more is indeed more.
