Subject: Names for Tourism Committee
Attachments: BOARD_OF_SELECTMAN_STATEMENT_#2_1-13-14.docx

Here are the names of the Tourism Members who would like to be appointed to the committee. I have also attached the statement I gave last night along with a rundown of our history, accomplishments and brief look at some of our views about what needs to be done for tourism right now.

Just a tiny bit of background, when I originally inquired about how to get them nominated, I was told the names had to go through their political party who told me they already had a name they were putting forward. I did, at your request through Sue, send the names to Sue last week.

Thanks for your help. Dominique
