Time: 10:00 a.m. – 2:00 p.m.

Cleanup Areas and Duties

Volunteers will cover a specific 1 mile stretch of trail from one of four staging areas:

Farmington: Brickyard Road

Simsbury: Iron Horse Blvd.

Unionville: River Trail Pavillion

Granby: Copper Hill Road

Last year our volunteers cleared 12 cubic yards of trash to prepare the trails for use by cyclists, walkers, runners and the public at large. The trails have over 200,000 users per year and the community continues to support and use the Farmington Valley Trails. We could use your help.
