CLEAN ENERGY TASK FORCE MINUTES - Summary

June 21, 2010

REGULAR MEETING

The meeting was scheduled to be held in room 103 of Simsbury Town Hall. The following members were present: Patrick Boeshans, Al Weisbrich and Susan Van Kleef, but a quorum was not achieved.

A general discussion was held between attendees regarding the new addition to the fifth grade Simsbury science curriculum, which will be implemented during the next school year.

No task force business was conducted and the minutes from 5-24 will be approved at the next scheduled meeting where a quorum is achieved.
