RAILS TO TRAILS FENCING PROJECT ADDENDUM

The following corrections have been made to the Rails to Trails Fencing Project Bid Packet:

On page 2: Bid Envelopes should be addressed to the following: **“Sealed Proposals for Town of Simsbury Rails to Trails Fencing Project”** not Performing Arts Centre Fencing Project

On Page 8 (Bid Form) there was a mistake in the total length of Fence it is not 2268 Feet, it is **2378 feet** for the Total Project Length of Fencing. This length includes the 110 feet of split rail fencing along the west side of rail trail near Winslow Place Commuter Parking area (yellow line in diagram below)

We have attached an updated bid form page 8 on the following page:
