February 27, 2023

TOWN OF SIMSBURY

WPCA

Invitation to Bid

FOR

ROOF SAFETY RAILINGS

The information provided in this Addendum is intended to supplement and clarify the existing information in the ITB and is not to replace any part of the specification unless clearly indicated as such.

This Addendum No. 2 is to clarify information in the bid specification to prospective bidders.

1. Color of safety rails: Painting of the safety rails will be added as an option to the bid form.
2. Safety railings can be either galvanized or zinc plated.
3. All roof access ladders will be gated.
4. Safety railings on building one(1) west lower level will be installed as indicated on the attached drawing.
5. Optional roof access ladders will be installed on the outside of the buildings.

Bidders will only be considered if their bid is based on these addendum documents.
