- The department recently received a Police Youth Grant of \$7,418. which will be used for a Bowling with Badges program. This program will provide a great opportunity for area youth to interact with the police officers that serve their community in a role other than that of an authority figure and to see officers in an informal setting.
- The Town recently had two very public visits from bears: a mother bear and 2 cubs and a very large male who interrupted the graduation proceedings at St. Mary's School on Hopmeadow Street. The mother and cubs were scared off, but the male bear was tranquilized and relocated by CT DEP.
