Hartford County Armed Robberies

Several towns in the Hartford area have experienced armed robberies within the last two weeks. The suspects wore baseball caps and hooded sweatshirts and at least one person was armed with a shotgun. It appears as if the suspects observed the locations just prior to committing the robberies. The armed robberies occurred at convenience stores, gas stations and take-out restaurants. There is no information that these armed robberies may occur in Simsbury, but we want businesses to be aware of the activity. If you see something suspicious, but it is not an emergency, call the Simsbury Police Department at (860) 658-3100. Call 911 if it is an emergency.

For questions regarding these robberies or general crime prevention, please contact Detective Sergeant Thomas Sheehan at (860) 658-3140 or Detective Dan Thibault at (860) 658-3141.
