HOME PACKAGE DELIVERY THEFT PREVENTION

The Simsbury Police Department will be providing safety tips and information to the public throughout this holiday season.

Members of the Simsbury Police Department are recommending ways to safeguard package deliveries to your home. Packages delivered and left outside your house may be a crime of opportunity for someone. The Stratford, CT Police Department recently arrested three people and charged them with stealing a package from a home in Stratford.

The Simsbury Police Department suggests any of the following to safeguard your deliveries:

- Have packages delivered to work instead
- Use the tracking systems that many carriers offer to keep track of your purchase
- Ask a neighbor to pick up your package
- Require a signature on the delivery, so the package isn't left outside

If you have any questions or concerns, please contact the Simsbury Police Department at 860-658-3100.
