## Press Release

Simsbury, CT August 1, 2012

The Simsbury Police Department uses certified bicycle officers to supplement patrol activities in the parks and recreational areas, the central section of town, schools, special events and the 7 miles of greenway through the Town. The officers also use the bike to promote general bicycle safety through education and bike rodeos. In May 2012, the Fox family of Simsbury donated two new police bicycles in support of the Department's public safety efforts. Thank you to the Fox family for their gracious donation!

Members of the Fox family with the donated bicycles.
