Mary Turner had summarized the Swap Shoppe results. There was a 39 percent increase in visitors and equally in adoptions. A very good year.

DEEP Recycling Grant applications that will be made for this fiscal year will be used for fencing and some infrastructure repair at the transfer station. Tom Roy has informed Mary of the above projects. Other projects, such as painting, etc. will be considered.

Discussion regarding the Spring Composting Seminar was held this evening. The date of April 16th at the Simsbury Library was suggested and will be confirmed by Mary.

Unfinished Business:

Dave will continue to gather information for a SCTV interview. This will hopefully take place in the near future.

Adjournment:

Carol made a motion at 8:15 pm to adjourn the meeting seconded by Lori. Motion carried.

Respectfully submitted,
Rosemary Fusco
