The Making of a Recovery-Friendly Community

A Partnership of the Town of Simsbury and A Promise to Jordan

Establishing a Recovery Friendly Community

This document is intended to provide guidance to municipalities that are interested in supporting those residents who are in recovery from a substance use condition by: 1) raising awareness of the nature of such conditions; 2) promoting health and recovery by reducing stigma and discrimination; and 3) building or improving the environmental factors necessary for "recovery" to flourish. Expected benefits of a Recovery Friendly community may be reduced substance use, reduced overdose, reduced crime, an improved community sense of compassion, humanity and citizenship, and positive stakeholder visibility.

BOARD OF SELECTMEN MEETING
AGENDA SUBMISSION FORM

1. **Title of Submission:** Proposed Naming Rights Criteria for Simsbury Meadows Performing Arts Center

2. **Date of Board Meeting:** August 8, 2022

3. **Individual or Entity Making the Submission:** Maria E. Capriola, Town Manager

4. **Action Requested of the Board of Selectmen:**
   If the Board of Selectmen approves of the proposed Naming Rights Criteria for the Simsbury Meadows Performing Arts Center, the following motion is in order:

   Move, effective August 8, 2022, to approve the proposed Naming Rights Criteria for the Simsbury Meadows Performing Arts Center as presented.

5. **Summary of Submission:**
   Pursuant to the Town of Simsbury’s Naming Rights Policy (Section 3D), at their March 14, 2022 meeting the Board of Selectmen established a work group to review criteria for the naming rights to the Simsbury Performing Arts Center.

   Board of Selectmen members Sean Askham and Eric Wellman were placed on the Naming Rights Committee. SMPAC Executive Director Missy DiNunno and SMPAC Board members Jeff Dornenburg and Kris Barnett met with the Naming Rights Committee to give their input on what SMPAC was looking for with regards to naming rights of the facility. Staff assistance was provided by Tom Fitzgerald.

   The members of SMPAC proposed draft criteria that would be used for soliciting sponsors of both the exterior of the building as well as interior conference rooms/offices. The criteria was reviewed and endorsed by the Naming Rights Committee and is being forwarded to the full Board of Selectmen for approval.

6. **Financial Impact:**
   The fundraising will be entirely done by SMPAC and their Board of Directors.

   The current Fiscal Year budget has a $350,000 allocation for the construction of restrooms at the Simsbury Meadows campus for everyday use (playground, trail, dog park, athletic games). As previously discussed, should SMPAC fundraise\(^1\) sufficient dollars to construct the Phase II Band Shell expansion project, the Town restroom funds

I. Purpose
The purpose of this policy is to establish the criteria and procedures for granting Naming Rights for Simsbury Town-owned facilities. The Naming Rights Policy recognizes that the naming of publically owned facilities is a legislative act. As such, this policy applies to all Town owned real property.

II. Effective Date
This policy shall remain in effect until revised or rescinded and replaces the revised policy dated May 12, 2014. The Town reserves the right to amend this policy as necessary.

III. Naming Rights Defined
There are two circumstances in which “Naming Rights” may be granted. In each case, Naming Rights shall be established through a specific written agreement about the nature of the naming right. Such Agreement shall be negotiated between the parties or their representatives. Any such agreement shall be governed by the provisions of this policy.

A. Naming Rights in Consideration
“Naming Rights in Consideration” is in consideration of a significant financial contribution, sponsorship or other commercial transaction wherein the Town receives a monetary gain in exchange for the naming of a Town facility.

Naming Rights in Consideration may be granted by the Town in consideration of financial contribution made to the Town normally in the form of a cash gift. Naming Rights in Consideration may also be granted in return for provision to the Town of an appropriate sponsorship, including a grant of money or the provision or supply of equipment, materials, land or services. Naming Rights in Consideration may be granted at the sole discretion of the Town by majority vote of the Board of Selectmen after a finding that the naming rights are consistent with this policy and in the best interests of the Town.

B. Naming Rights in Recognition
“Naming Rights in Recognition” is the naming of a Town facility, building or portion thereof in recognition of a significant contribution to the Town. The recognized contribution can be in the form of financial or other gift from a donor unrelated to the award of the naming right, or meritorious service, and is at the discretion of the Town in agreement with the party or their representatives. Naming Rights in Recognition may be
granted at the sole discretion of the Town by majority vote of the Board of Selectmen after a finding that the naming rights are consistent with this policy and in the best interests of the Town, and subject to the agreement of the party or the party’s representative, except as provided in Section 3 below governing the naming of Board of Education facilities.

One of the following three criteria shall be fulfilled in order for the granting of Naming Rights in Recognition to be considered:

a) Recognition of historical significance and/or outstanding service to the Town, State of Connecticut or the United States of America while serving in a community service, public office, historic significance, or administrative capacity or other form of outstanding service to the community as determined by the Board of Selectmen;

b) Recognition of the career or professional achievements of distinguished alumni of the Simsbury Public Schools or for distinguished service in the United States Military;

c) Recognition of a generous financial or other contribution from a donor (in the form of a donation, bequest, sponsorship etc.), such contribution being voluntary and not rendered in consideration of the granting of naming rights.

The Town may solicit suitable monetary donations from the advocates of such recognition, particularly if the request comes from other than a family member.

C. Board of Education Facilities

Proposals for the naming of Town property occupied and/or used by the Board of Education shall be referred to the Board of Education. The Board of Education shall have the authority to establish its own policy with respect to the naming of Town property occupied and/or used by the Board of Education, provided that the Board of Education policy includes a public hearing requirement prior to any final decision with respect to the naming of such property.

D. Procedure

Proposals for the naming of a Town facility shall be directed to the Town Manager on the prescribed form. After an administrative review for the completeness of the request, the Town Manager or her/his designee shall transmit the proposal to the Board of Selectmen. The Board may then take one of three actions: (a) accept the proposal; (b) reject the proposal; or (c) refer the proposal to a naming rights committee appointed by the Board of Selectmen. The naming rights committee shall consist of at least two members of the Board of Selectmen; other stakeholders may be appointed to the Committee as deemed necessary by the Board. If the proposal is referred to a naming rights committee, that committee shall, after review, make its recommendation to the Board of Selectmen. Such recommendation may include: (a) rejection of the proposal; (b) acceptance of the proposal; or (c) request a call for additional proposals from the public. In the event that a name is proposed for a newly constructed facility, the Board of Selectmen shall request a call for additional proposals from the public. The Board of Selectmen shall hold a public hearing prior to taking final action on a properly submitted proposal. Notice of the public hearing shall be provided in a manner consistent with
IV. Granting Naming Rights
In granting naming rights, either in consideration or in recognition, due regard should be taken of the need to maintain an appropriate balance between commercial considerations and the role which names of public buildings and spaces play in contributing to the Town’s sense of identity.

The granting of Naming Rights shall always be consistent with the Town’s vision and mission as defined by the Board of Selectmen. The long-term effects of the Naming Rights shall be considered in all decisions. The Town agency affected by the naming right to be granted may be consulted before any decision is made. Each granting of Naming Rights shall be memorialized by an agreement as defined by this and all other applicable Town policies.

A. Facilities for Which Naming Rights May Be Awarded
The term “facilities” as used in the Policy shall apply to the following:
- Town Owned Buildings – provided that the interior features of a Town owned building may be named separately from the main building subject to the criteria and procedures set forth in this policy
- Auditoriums/Theaters
- Gymnasiums
- Libraries
- Gardens/Walks
- Streets
- Athletic Fields/Facilities
- Concessions/Locker Rooms
- Paths or trails

For the purposes of this policy, the term “facilities” shall not apply to such minor items as benches, trees, refuse cans, flagpoles, water fountains or similar items.

B. Delegation of Approval Authority
The Simsbury Board of Selectmen is the body that grants Naming Rights except as provided in Section III.C above. This authority may not be delegated.

C. Informed Consent
Except in the case of historical figures, the Town shall not grant a Naming Right without the informed written consent of the named party or the named party’s legal representative.

D. Monetary Valuation of Naming Rights
Monetary valuations may be assigned to Naming Rights possibilities on a case-by-case basis to aid with making decisions about granting Naming Rights. The Town Manager shall determine the monetary valuation of each Naming Right after receiving a recommendation from the Town Finance Director, who may take advice from such persons or other professionals as needed and transmit it to the Board of Selectmen. Each case should take
into account market comparisons for Naming Rights. As appropriate, the Town may seek professional valuation services for the valuation of the naming rights.

E. Duration of Naming Rights
The duration of Naming Rights shall be decided or negotiated on a case-by-case basis.

F. Physical Display of Naming Rights
The physical display of the Naming Rights shall be decided or negotiated on a case-by-case basis. In the case of buildings, the physical display of the Naming Rights will take into account the identification of the Town and opportunities offered by the named building for the Town.

In cases of Naming Rights in Recognition, plaques or tablets may be installed in the building in recognition of a distinguished member of the Town community whose services were identified with the functions of those buildings.

V. Other Matters

A. Transferability
Named Rights may be transferred upon written approval of the Board of Selectmen.

B. Renewability
Naming Rights that have expired may be renewed by mutual agreement between all the parties.

C. Limit on Naming Rights
   a) On the part of the Town
      The Town's right to use the name and other brand elements of the Named Party shall only be permitted by express agreement with the Named Party.

   b) On the part of the Named Party
      The Named Party after whom a building or part of a building is named shall have no rights to the purpose to which that building or part of the building is applied unless provided for in the specific contract between the parties. The Town will not agree to any condition in a contract that could unnecessarily limit the following: progress towards the Town's mission and purpose, statutory obligations, or the local authority of the Simsbury Board of Education.

      In turn, the Named Party shall bear no liability in respect of that building or part of a building unless any such limits must be included in the Naming Rights agreement.

D. Early Termination of Naming Rights
In the event that this policy or any specific contract entered into in accordance with this policy is breached, the parties may terminate a Naming Rights agreement in advance of the scheduled date. A Naming Rights agreement may also be terminated under the following conditions:
a) **Termination by the Town**
   The Town reserves the right, at its sole discretion, to terminate Naming Rights without refund of consideration, prior to the scheduled termination date, should it feel it is necessary to do so to avoid the Town being brought into disrepute.

b) **Termination by the Named Party**
   The Named Party may without refund of consideration at its sole discretion, terminate its acceptance of the Naming Rights prior to the scheduled termination date, in the event that the Town directly brings the Named Party into disrepute.
Proposal for Naming of Town Facility Form

Joe, here is the description of the project. Let me know if this works.

This project would build out the facility to upgrade it to a truly professional venue with all the appropriate infrastructure needed to attract outside promoters, rental clients, and even to enable the SMPAC to affordably produce its own shows. The build out would include a backstage area, with dressing rooms and bathrooms for performers; restrooms & office space for staff, meeting & rehearsal space for both SMPAC staff & board as well as for use by other non-profits (especially arts related) in town; some storage area – needed for HSO equipment left on-site between concerts, and restrooms for the general public. Since the facility is located in the downtown area and is adjacent to the playground, the dog park and the bike trail, these restrooms would be a significant amenity to users of those town recreational areas as well as to users of the SMPAC facility.

Subject: Wetlands and Zoning Commission Applications

Good afternoon Bill,

I have attached the meeting schedules for both the Zoning and the Conservation Commission for your review. Please submit the wetlands application at least a week prior to the meeting date to allow for Staff review. For the Zoning Commission Special Exception and Site Plan application the application would be needed two and a half weeks prior to the meeting to allow time for legal notice. The wetlands application fee is $240.00 and the SE/SP application fee would be $530.00. If you have any questions, please call me at 860-658-3292. It was nice meeting you today.

Regards,

Joseph Hollis

1. **Title of Submission:** Tax Refund Requests

2. **Date of Board Meeting:** August 8, 2022

3. **Individual or Entity Making the Submission:**
   Maria E. Capriola, Town Manager; Colleen O’Connor, Tax Collector

4. **Action Requested of the Board of Selectmen:**
   If the Board of Selectmen supports approving the tax refunds as presented, the following motion is in order:

   Move, effective August 8, 2022, to approve the presented tax refunds in the amount of $105,556.54, and to authorize Town Manager, Maria E. Capriola, to execute the tax refunds.

5. **Summary of Submission:**
   Tax refunds need to be issued from time to time for motor vehicles, real property, and personal property. Some of the most common reasons tax refunds need to be issued for motor vehicles include: sale of the vehicle; the vehicle is destroyed; the vehicle is donated; the owner has moved out of state; or, the owner has successfully appealed the taxes. Real estate refunds are typically due to the fact that during the sale or refinancing of a property, both a bank and an attorney’s office have paid taxes owed, resulting in an overpayment to the Town. Overpayments of personal property taxes are rare; often overpayments of personal property are due to a person or entity forgetting that they paid in full in July, then also sending the January installment.

   In a legal opinion from the Town Attorney dated May 22, 2001, he stated that CGS §12-129 “requires that all applications for tax refunds be referred to the Board (of Selectmen) for their consideration and action.” Once approved by the Board of Selectmen, the Town Manager will sign off on tax refund applications. As a reminder, the Tax Collector’s Office is responsible for collecting revenue for the Fire District pursuant to Special Act #264 of the Legislature in 1945. However, tax refunds for the Fire District are not under the jurisdiction of nor approved by the Board of Selectmen and are therefore not included in the requested tax refunds presented.

6. **Financial Impact:**
   The aggregate amount of all tax refunds as presented is $105,556.54. The attachment dated August 8, 2022 has a detailed listing of all requested tax refunds.

7. **Description of Documents Included with Submission:**
   a) Requested Tax Refunds, dated August 8, 2022

2. **Date of Board Meeting:** August 8, 2022

3. **Individual or Entity Making the Submission:** Maria E. Capriola, Town Manager; Tom Tyburski, Director of Culture, Parks and Recreation

4. **Action Requested of the Board of Selectmen:**
   If the Board of Selectman is in concurrence with the recommendation of the Culture, Parks and Recreation Commission and supports the proposed 2022-23 Simsbury Farms Ice Rink and Paddle Tennis fee schedule as presented the following motion is in order:

   *Move, effective August 8, 2022 to approve the Culture, Parks and Recreation Department’s 2022-23 fee schedule for Simsbury Farms Ice Rink and Paddle Tennis programs as presented.*

5. **Summary of Submission:**
   For 2022, Culture, Parks and Recreation Department staff is proposing increases to some Simsbury Farms rink and paddle tennis fees to meet the increasing seasonal staff costs due to the increased minimum wage rate, contractual costs for full time employees and other increased costs (supplies/fuel/etc). The fee schedules were endorsed and recommended by the Culture, Parks and Recreation Commission at their July 28, 2022 meeting. This process involved a review of fees charged by other local facilities for like services as well as review of our facility and program usage over the past three years, not including 2020.

6. **Financial Impact:**
   Based on the average of the last three years of participation (not including 2020), the 2022-23 recommended Simsbury Farms Rink and Paddle Tennis fee schedule is projected to generate an estimated additional $7,280 in additional revenue for our winter facility programs.

1.) Provide a description of the proposed project which includes the purpose of the project. **Please be as comprehensive as possible in the description of this project (Note: only capital projects will be considered):** new construction, expansion, renovation, or replacement project for an existing facility or facilities. Project costs can include the cost of land, construction and contract services needed to complete the project. For a description of expenditures that **cannot** be funded with STEAP funds, see Guideline document.

The project consists of converting Station Street from a one-way road to a two-way road with additional proposed on-street parking spaces, new sidewalk, and associated appurtenances. The purpose of this project is to provide more efficient vehicular traffic flow from Town
owned Eno Memorial Hall parking lot, which has a curb cut on the south side of Station Street, as well as to better service the retail buildings along Station Street and Railroad Street.

2.) How will this project impact and benefit the community? Please include any projected economic impact and job creation or retention estimates.

Eno Memorial Hall is utilized for many Town run events. This project will provide better access while entering and existing the parking lot of Eno Memorial Hall. The proposed two-way configuration of Station Street provides an alternate point of access to several downtown retail establishment. Local businesses have asked for the one-way to two-way conversion in the past. Local business organizations (Simsbury Main Street Partnership) has listed making Station Street as one of their top priorities to support downtown Simsbury businesses.

3.) What, if any, planning or design work has begun or been completed on this project?

The Town of Simsbury Engineering Department in 2020-2021 had prepared conceptual design plans and preliminary cost estimates for this project, which are attached to this application. The cost estimate was recently updated to reflect current bid pricing on similar projects. These designs also account for future improvements to the Eno Memorial Hall parking lot and future improvements to Railroad Street. A full set of construction plans will be developed by Town Engineering staff if the Town of Simsbury is successful in obtaining the grant funding.

This project is consistent with the Simsbury Center Code (Section 5.2.2.) which is included with this grant application. The Center Code was developed by the Planning and Land-Use Department with significant public input in 2010-2011. The Center Code envisioned Station Street as a two-way street with sidewalks on either side.

4.) Is the proposed project consistent with the State Plan of Conservation and Development? Yes.

5.) Is the proposed project consistent with your Municipal Plan of Conservation & Development (POCD) Plan? Yes.

6.) Last date Municipal Plan of Conservation and Development (POCD) Adopted: 11/01/2017

7.) Will the project require the conversion of lands currently in agricultural use to non-agricultural use? No.

8.) Does the project area contain prime or important agricultural soils that are greater than 25 acres in area? No.
9.) Does this project impact state-owned property (i.e.: state facilities, state roads and/or bridges, state parks, forests or other state-owned land.) If yes, please provide the location and a brief explanation. Yes. The State Right-of-Way for Route 10/202 (Hopmeadow Street) will be impacted through the installation of a new traffic signal associated with the conversion of Station Street from one-way traffic to two-way traffic. ADA compliant sidewalk ramps will also be installed within the State Right-of-Way.

10.) Will any project related activities be conducted within a floodplain*? No.

(*If you answer “yes” to question 10, please be advised that the provisions of the Dept. of Energy and Environmental Protection’s Flood Management Certification are applicable.)

11.) Describe the environmental and social impacts of the proposed project. For example, impacts related to traffic, floodplains, natural resources/wetlands, endangered species, archeological resources, historical structures, neighborhoods, utilities, parks, cemeteries etc. (If necessary, attach response in a separate document with the following heading: “Environmental & Social Impacts”.) No impacts to the environment will occur with the proposed improvements. All work is limited to the right-of-way and existing paved surfaces. The proposed social impacts include more efficient traffic flow due to the conversation to a two-way road as well as an upgraded traffic signal at the intersection of Station Street and Hopmeadow Street. Pedestrian routes will be enhanced through the implementation of ADA compliant sidewalk ramps and a new sidewalk along the southern side of Station Street. The new street lights will also increase the visibility and safety at night through a street which currently lacks lighting.

12.) Does this project require State Historic and Preservation Office (SHPO) review and determination? Yes. We do not believe this project will require SHPO review, however, we intend to submit to SHPO to ensure there are no historic preservation issues.

If YES, please complete a through e below.
If NO, skip to #14.

a.) What phase are you applying for? This application is for the entire length of Station Street.

1. **Title of Submission:**
   Supplemental Appropriation - Local Transportation Capital Improvement Grant (LOTCIP) & Connecticut Community Connectivity Grant (CCCGP) Firetown Road Sidewalk Gap Closure and Referral to the Planning Commission Pursuant to CGS 8-24

2. **Date of Board Meeting:**
   August 8, 2022

3. **Individual or Entity Making the Submission:**
   Maria E. Capriola, Town Manager; Thomas Roy, Director of Public Works/Town Engineer

4. **Action Requested of the Board of Selectmen:**
   The Board of Selectmen previously authorized acceptance of the Local Transportation Capital Improvement Program (LOTCIP) grant and the Connecticut Community Connectivity Grant Program (CCCGP) for the construction of approximately 5,000 linear feet of new sidewalk along Firetown Road should they be awarded. Therefore, the following motions are in order to appropriate the grant revenue:

   Move, effective August 8, 2022, to authorize a supplemental appropriation of the Firetown Road Sidewalk LOTCIP grant in the amount of $1,369,000 and of the CCCGP grant in the amount of $594,000 and to transfer the town contribution in the amount of $35,000 from the sidewalk reconstruction capital project, for a total appropriation amount of $1,998,000 and refer this appropriation to the Board of Finance for approval.

   Further move to create a capital project to complete this work.

   Further move to refer the Firetown Road Sidewalk Gap Closure project to the Planning Commission for review and report under Section 8-24 of the Connecticut General Statutes.

5. **Summary of Submission:**
   Currently, there is not a safe walking area along Firetown Road between West Street and Plank Hill Road. This gap in our sidewalk system was identified as a priority in our 2016 Pedestrian Bicycle Master Plan. Additionally, we have received a number of requests for sidewalks in this area, especially since the development of the Mill Commons townhouses off of West Street. This project includes the construction of approximately 5,000 feet of walkway along the south side of Firetown Road from West
Street to Plank Hill Road. Additional work includes associated grading and construction of retaining walls in areas where grading is not feasible.

The Town has been fortunate and has been awarded two grants for construction and construction related activities associated with the Firetown Road Sidewalk Gap Closure Project. The Town originally submitted a grant in October of 2020 under the CCCGP that is administered by the CT DOT. We were originally denied this grant request. We then took the opportunity to apply for the same project under the LOTCIP program administered by CRCOG. After we had decided to apply for the LOTCIP program, we were then contacted by CT DOT and awarded the CCCGP grant.

We will be working with the CT DOT and CRCOG as the grant administrators to manage this unique situation where we have two grants for one project. We will be assigning specific sections of this project to each grant and the intent is to bid this as one project to a single contractor.

The Board of Finance will review this at their August 16th meeting.

6. **Financial Impact:**
The design for the project will be completed by Engineering Department staff, with supplemental survey support at an estimated cost of $35,000. If we contracted out the design work, the total design cost is estimated at $130,000. Funding for the survey/design work is intended to be funded using funds from the capital Sidewalk Improvement Fund.

Title of Submission: Supplemental Appropriation - Local Transportation Capital Improvement Grant (LOTCIP) Hopmeadow Street Connectivity Project Project No. L128-0002

Date of Board Meeting: August 8, 2022

Individual or Entity Making the Submission:
Maria E. Capriola, Town Manager; Thomas J. Roy, Director of Public Works/Town Engineer

Action Requested of the Board of Selectmen:
The Board of Selectmen previously authorized acceptance of the Local Transportation Capital Improvement Program (LOTCIP) grant for nearly one mile of new sidewalk along Hopmeadow Street from Hoskins Road to the DOT Maintenance Facility. The initial grant award was appropriated in the FY 21/22 capital budget for $810,000. We need to appropriate additional grant revenue and the town contribution. Therefore, the following motion is in order:

Move, effective August 8, 2022, to authorize a supplemental appropriation of the LOTCIP grant for the Hopmeadow Sidewalk project in the amount of $455,447.39 and to transfer the town contribution in the amount of $33,524.28 from the sidewalk reconstruction capital project, for a total appropriation amount of $1,298,971.67 and refer this appropriation to the Board of Finance for approval.

Summary of Submission:
The Town received the LOTCIP grant for the construction of nearly one mile of new sidewalk and included a line item of $810,000 in the FY 21/22 budget based on the grant award and the preliminary design. Following a publicly advertised bidding process, the lowest qualified bid was $1,219,829. Under the LOTCIP grant guidelines, the grant includes 10% contingency and 10% for incidentals above the construction costs, bringing the total project budget to $1,298,971.67.

The additional costs with the project are the result of inflation over the time the project has been in design and the addition of decorative street lights that were added under the grant program. The project has $33,524 in costs that are ineligible for grant funding under the LOTCIP program. These costs include $13,550 for granite curbing and $14,387 for a portion of the costs for the required utility relocations. The Town may be able to recover the costs for the utility relocations directly from the utilities.

The Board of Finance will review this at their August 16th meeting.

Dear Ms. Capriola:

Subject: **Project Authorization Letter**  
Hopmeadow Street (Route 10/Route 202) Sidewalk Connectivity Project  
State Project No. L128-0002  
UEI No. DVGUFJ6NPKS7  
Master Agreement No. 03.08-01(18)  
CORE ID No. 14DOT0027AA  
Town of Simsbury

On May 9, 2018, the State of Connecticut Department of Transportation (DOT) and the Town of Simsbury (Municipality) entered into the First Supplemental Master Municipal Agreement for Construction Projects (Master Agreement) noted above. This Project Authorization Letter (PAL) is issued pursuant to the Master Agreement. The capitalized terms used in this PAL are the same as those used in the Master Agreement.

The Municipality is responsible for the Administration of the Construction Project.

The Construction Project is to provide for the construction of sidewalks and pedestrian connectivity improvements along Hopmeadow Street (Route 10/202). The proposed improvements include, but are not limited to:

- Construction of sidewalks along the west side of Hopmeadow Street (Route 10/Route 202) from Hoskins Road northerly to the commuter park and ride lot at 1541 Hopmeadow Street for a distance of approximately 4,500 feet including, but not limited to, the installation of concrete sidewalks and ramps, concrete and granite curbing, a concrete retaining wall, crosswalks, decorative lighting, and landscaping.

- Construction of a concrete sidewalk along the north side of Dorset Crossing Drive from Hopmeadow Street (Route 10/Route 202) westerly for a distance of approximately 360 feet to provide connectivity to the existing sidewalk network.

- Construction of a sidewalk on the east side of Hopmeadow Street (Route 10/Route 202) from the pedestrian crossing at the intersection of Hoskins Road easterly for a distance of approximately 120 feet to provide connectivity to the existing Farmington Canal Heritage Trail facility.

Funding for the Construction Project is provided under the Local Transportation Capital Improvement Program (LOTCIP). This project has a one hundred percent (100%) State participation ratio up to the established participation cap and payment for municipal costs will be on a grant basis, subsequent
to receipt of bids by the Municipality. The maximum grant payment to the Municipality under this PAL is $1,265,447.39, based on the final estimate for the Construction Project provided by the Municipality. The actual grant payment to the Municipality will be based on the approved low bid. In addition, any payment for actual expenditures will be in accordance with the terms of the Master Agreement.

Municipal costs contained in this PAL shall not be exceeded without first obtaining written permission from the DOT. Enclosed is an estimated cost break down for Construction Project activities. A Demand Deposit of Zero Dollars ($0) is due to the DOT.

The Municipality is responsible for the proper maintenance and operation of all Municipality-owned Transportation Facilities constructed as part of the Construction Project, upon completion of the Construction Project, to the satisfaction of the DOT. Upon completion of the Construction Project, the Municipality also agrees to assume maintenance responsibility of specific improvements constructed as part of the Construction Project on DOT-owned Transportation Facilities including, but not limited to, granite stone curbing, brick pavers, ornamental lighting, landscaping, retaining walls, and sidewalks and sidewalk ramps including snow and ice removal, tree/brush trimming and vegetation control to maintain unobstructed pedestrian paths and sightlines.

The issuance of the PAL itself is not an authorization for the Municipality to advertise the Construction Project for bids or begin performing work with respect to the Construction Project. The Municipality may advertise the Construction Project for bids only after the DOT has received the concurred PAL from the Municipality and the DOT has authorized the Municipality to advertise the Construction Project for bids. The Municipality may advance or begin work on the Construction Project only after it has received an Authorization to Award Notice from the DOT.

Please indicate your concurrence with the PAL by signing below on or before August 19, 2022 and returning a copy to the Project Manager listed below at the letterhead address. You may submit the Written Acknowledgement of the PAL to the Project Manager in hard copy, by facsimile, or electronic transmission. The Master Agreement and the PAL will be incorporated into one another in their entirety and contain the legal and binding obligations of the Municipality with respect to the Construction Project.

If you have any questions, please contact the Project Manager, Mr. Vitalij V. Staroverov, P.E., at (860) 594-2582 or Vitalij.Staroverov@ct.gov.

Very truly yours,

1. **Title of Submission:** Vacation Carryover Requests (IBPO/Police)

2. **Date of Board Meeting:** August 8, 2022

3. **Individual or Entity Making the Submission:**
   Maria E. Capriola, Town Manager; Nicholas J. Boulter, Police Chief

4. **Action Requested of the Board of Selectmen:**
   If the Board of Selectmen supports approving the vacation carryover requests, the following motion is in order:

   Move, effective June 28, 2021, to approve the vacation carryover requests as presented in the table below and requiring Selectmen action. Further stipulate that the approved excess vacation days must be used on or before December 31, 2021. Any unused approved excess vacation days still on the books as of January 1, 2022 will be forfeited. Should the employee leave service for any reason, including but not limited to retirement or resignation, they will not be paid out for the approved unused excess vacation days authorized by the Board of Selectmen.

5. **Summary of Submission:**
   AFSCME, Dispatchers, CSEA and non-union employees have transitioned to a simplified administrative process, with an annual forfeiture date of November 1 as opposed to July 1.

   Our employees represented by IBPO have not yet transitioned to this process. Therefore, vacation carryover requests for those employees in excess of ten days must be reviewed and approved or denied by the Board of Selectmen. It is standard practice for vacation carryover requests of up to ten days to be reviewed and approved or denied by the Chief Executive. The annual forfeiture date for these employees is currently July 1.

   Mr. Gray, Ms. Harrington, and Mr. Lantiere are all requesting above the 10 day amount due to extend periods of leave during the year.
The vacation carryover requests are as follows:

</tbody>
</table>

If the Board of Selectmen supports granting the excess vacation carryover requests above the normally permitted ten days, I would recommend you do so with the following caveats:

- The approved excess vacation days must be used on or before December 31, 2022. Any unused approved excess vacation days still on the books as of January 1, 2023 will be forfeited.
- Should an employee leave service for any reason, including but not limited to retirement or resignation, they will not be paid out for the approved unused excess vacation days.

6. **Financial Impact:**
   There is no direct financial impact associated with staff carrying forward the requested earned vacation time.

AGENDA SUBMISSION FORM

1. **Title of Submission:** COVID-19 Relief 501(C)(3) Non-Profit Program

2. **Date of Board Meeting:** August 8, 2022

3. **Individual or Entity Making the Submission:** Maria E. Capriola, Town Manager

4. **Action Requested of the Board of Selectmen:**
The Finance Sub-Committee is seeking endorsement of the full Board of Selectmen on the non-profit grant program application. The following suggested motion is in order:

   *Move, effective August 8, 2022, to approve the 501(c)(3) Non-Profit Grant Program Application and related materials as presented.*

5. **Summary of Submission:**
The former ARPA Work Group and current Finance Sub-Committee have identified a non-profit grant program as a priority project for ARPA funding. The proposed program would provide funding to non-profit organizations to address a need or negative impact of the COVID-19 public health emergency. A total of $150,000 has been allocated by the Board of Selectmen and Board of Finance for this program, with funding requests to be capped at $10,000 per organization.

   The proposed application form closely mirrors the form for outside agency grant requests through the budget cycle, with the exception that this application is only open to non-profit organizations (the outside agency application is open to both non-profits and not-for-profits).

   At its August 2, 2022 meeting, the Finance Sub-Committee unanimously approved the program materials. The next step, if approved tonight by the Board of Selectmen, would be to release the application. The timeline is as follows:

   - **August 9, 2022:** Application released to the public
   - **September 16, 2022:** Application materials due
   - **September 30, 2022:** Staff completes review of materials for accuracy, thoroughness, and appropriateness
   - **Week of October 3, 2022:** Finance Sub-Committee meets to make recommendations to the BOS on funding requests
   - **October 12, 2022:** Board of Selectmen makes final determination on funding requests
   - **Week of October 17, 2022:** Staff emails award letters to agencies selected as recipients
6. **Financial Impact:**
   The approved funding for this program is $150,000, with individual funding requests capped at $10,000.

BOARD OF SELECTMEN MEETING
AGENDA SUBMISSION FORM

1. **Title of Submission:**
   Board of Selectmen Website Submissions

2. **Date of Board Meeting:**
   August 8, 2022

3. **Individual or Entity Making the Submission:**
   Maria E. Capriola, Town Manager; Wendy Mackstutis, First Selectman; Heather Goetz, Selectman

4. **Action Requested of the Board of Selectmen:**

5. **Summary of Submission:**
   This item was requested by Selectman Goetz and First Selectman Mackstutis. Staff recently discovered that the "Contact All" function on the Board of Selectmen webpage was not working properly, and there were messages submitted through that mechanism that may not have been delivered to the Board of Selectmen group contact list. This glitch occurred with the website when we moved our email services to the cloud back in the spring of 2021.

   When we migrated from an on-site email server to the cloud (Microsoft 365), we inherited default security features from 365. One of these features was to not allow external email accounts to send messages to internal Town email groups (such as the Board of Selectmen group contact). As soon as we discovered that the security setting that disallows internal groups from receiving external email traffic was enabled, we changed the setting. This glitch was discovered and rectified the last week of July, and the Board of Selectmen was notified the same week. Test emails have since been submitted through the Town’s contact form; all members should have received the test emails and the technology issue has been resolved.

   Staff reviewed the emails and found that many had already been addressed by other means, such as the person reaching out to the Town Manager’s Office. We have identified 10 emails that require a response, and those responses are being made directly to our residents.

BOAND OF SELECTMEN MEETING
AGENDA SUBMISSION FORM

1. Title of Submission: Proposed Town Manager Goals July 1, 2022 – June 30, 2023

2. Date of Board Meeting: August 8, 2022

3. Individual or Entity Making the Submission: Maria E. Capriola, Town Manager

4. Action Requested of the Board of Selectmen:
   If the Board of Selectmen is supportive of the Town Manager's goals as presented, the following motion is in order:

   Move, effective August 8, 2022, to adopt the Town Manager's Goals for July 1, 2022 – June 30, 2023 as presented.

5. Summary of Submission:
The Town Manager's proposed goals were discussed at the Personnel Sub-Committee meeting on July 7, 2022 and to the Board of Selectmen on July 11, 2022. These goals provide an important framework for the Town Manager and the organization to focus our efforts for the upcoming year. The goals are broken down into categories such as Human Resources & Labor Relations, Economic Development, Financial Management, and Special Projects. When developing this list, the Town Manager also considered the Board of Selectmen's goal setting discussion, departmental and organizational needs, strategic initiatives, and funded capital and CNR projects. This list of goals is both achievable yet aspirational, and provides a framework for the work that will be performed in the current year as well as future years.

   As requested, I have provided additional context for each goal such as if it is an approved capital project, legal requirement, existing Selectmen goal, identified in a Master Plan, etc.

6. Financial Impact:
The proposed goals require both direct and indirect resources.

7. Description of Documents Included with Submission
   a) Bio of William (Bill) Clegg
   b) Bio of Michelle Lipar
   c) Bio of Alexandra Rice
   d) Bio of Jennifer Seiderer
My name is Jennifer (Jen) Seiderer and I live in Weatogue with my husband, Gregg, and my two sons, Eli and Jude. I've lived in Weatogue and been a registered Democrat here in CT since 2006; I've also been employed by The Hartford since 2006.

As a lifelong Democrat with an undergraduate degree in Social Work and a strong interest in advocacy and social justice at the local, state, and federal levels, I'm keenly aware that progress is best begun at the local or grassroots level. For that reason, I'm interested in volunteering for membership in our local Simsbury government. I am open to nomination to the Aging and Disability Commission or another group that might most benefit from my interests and skills. I love Simsbury and want to make our beautiful town more accommodating; I believe Simsbury will be better for being more just and diverse.
Michelle Lipar  
*Culture Parks and Rec*

I was born in Beacon Falls, CT, and my husband and I moved to Simsbury in 2007 to raise our family. We have two children in the Simsbury school system - one at Central and another about to enter high school. I have maintained a strong volunteer presence in our community, serving on the board of the Simsbury Farmers' Market, driving for Meals on Wheels and the library's Book to Your Door program, and volunteering in numerous capacities at Central School, including serving on the PTO Board for three years. For the past 25 years, I have worked in the publishing industry, but in 2020 I returned to school to obtain my Master of Social Work degree from the UCONN School of Social Work, with a concentration in Community Organizing. This experience has been life-changing for me, and made me realize that I want to increase my level of civic involvement - indeed, that everyone should do this! I am interested in the Culture, Parks and Recreation Commission for many reasons. My family, especially my 14-year-old son, loves the woods and trails, and I think it is important to make sure to preserve what wilderness we can. I also want to encourage appreciation for open spaces. My children are both part of the Farmington Valley Youth Cycling Team, and we are frequent users of the bike trail. I value environmental stewardship, and try to promote this wherever possible. Encouraging and facilitating our town's enjoyment of the outdoors are ways that can help reinforce these values. As a social worker, issues of diversity, equity and inclusion are also extremely important to me, and I believe that this commission has opportunities to work for social justice in a number of ways.

I hope you will consider me for a position with this commission. I have attached my resume for your reference.

Best wishes,  
Michelle Lipar

I used to attend and serve at the Barn Church and Valley Simsbury, which are both in town, before switching churches. I'm off to law school this fall so the Building Code BOA works perfectly with my academic pursuits and schedule. I'm also used to working with Steven Antonio on ZBA and he is the other Dem on Building Code BOA.

PRESENTATIONS

a) Proclamation for Simsbury Farms 50th Anniversary

Ms. Mackstutis read the following Proclamation:

Proclamation in Recognition of the 50th Anniversary of Simsbury Farms

Whereas, on June 10, 1972, 50 years ago, the Town of Simsbury held an official dedication and open house (and I assume a ribbon cutting), for Simsbury Farms, which began the first chapter of Simsbury’s full recreational complex, as envisioned by Town Leaders; and

Whereas, the decision to purchase the 235 acres known as Orkil Farms, an apple orchard, by a 600-1 vote at a Town Meeting, was based on this vision presented for a complete recreation facility to meet the total needs of the community including and 18-hole golf course, tennis courts, swimming pools, biking trails, and ice rink and platform tennis courts; and

Whereas, the year 2022 marks the 50th Anniversary of the opening of the Simsbury Farms Recreation Complex at which we recognize that this vision had come to pass, with the amazing facility we have all grown to love as both adults and children, that our families grew up loving and that our children’s families will get to enjoy for years to come; and

Whereas, residents and visitors both young and old, continue to play and learn how to play golf, hockey, tennis, paddle tennis, basketball and pickleball along with swimming and diving in the multiple pools; and

Whereas, the Simsbury Recreation Complex is a source of pride for all Simsbury residents, where we’ve spent many hours with our family members, friends, and neighbors of all ages, enjoying the endless recreational activities available to us; and

Whereas, we thank all of the employees and volunteers who have made Simsbury Farms what it is today, and to all those who are playing in a golf league, taking swim lessons, joining a tennis clinic, pushing swings, at the playscape, watching an early morning hockey game, or just taking a walk and enjoying the spectacular view; and

Whereas, a series of events called “50 for 50” will be held throughout 2022 to commemorate this milestone – a Family Day, the Simsbury Farms Open, Movie Night, the Pickleball Tournament, and a spectacular grand finale concert and fireworks show to remember that will provide many opportunities for our community to engage in recreational activities; and

NOW, THEREFORE, I Wendy Mackstutis, First Selectman for the Town of Simsbury do hereby Proclaim in 2022 The 50th Anniversary Celebration of Simsbury Farms and request and encourage everyone in our community to support and enjoy the Simsbury Farms Recreation Complex, the “50 for 50” events, and to wholeheartedly share this important milestone with their friends, families, neighbors and peers

IN WITNESS WHEREOF, I have place my seal and the great seal of the Town of Simsbury on this 11th day of July 2022.

Wendy G. Mackstutis, First Selectman

Mr. Peterson made a motion, effective July 11, 2022, to issue a proclamation celebrating and honoring the 50th Anniversary of the Simsbury Farms Recreation Complex. Mr. Wellman seconded the motion. All were in favor and the motion passed.
b) Simsbury Community Media

After discussion, no motion was needed at this time.

c) Zoning for Cannabis Establishments Update

Mr. McGregor gave some history about cannabis, Public Act 21-1, which went into effect in 2021 and legalized cannabis in CT with density caps. In May of 2022 the density caps were removed. Simsbury adopted a moratorium on November 8, 2021 and this will end on November 8, 2022 to establish a time period to work on our regulations.

Mr. McGregor said the Zoning Commission is starting to work on land use framework for conditions about cannabis. There will be a public hearing in late fall and then adoption of this framework. This would allow or prohibit cannabis after revising Zoning ordinances. He thinks the moratorium can be extended as long as they are working on a solution.

After some discussion, there was no motion on this agenda item.

Also, there is a Presidential election in 2024 so we would get better participation in the process.
