PRESENTATIONS

a) Proclamation for Simsbury Farms 50th Anniversary

Ms. Mackstutis read the following Proclamation:

Proclamation in Recognition of the 50th Anniversary of Simsbury Farms

Whereas, on June 10, 1972, 50 years ago, the Town of Simsbury held an official dedication and open house (and I assume a ribbon cutting), for Simsbury Farms, which began the first chapter of Simsbury’s full recreational complex, as envisioned by Town Leaders; and

Whereas, the decision to purchase the 235 acres known as Orkil Farms, an apple orchard, by a 600-1 vote at a Town Meeting, was based on this vision presented for a complete recreation facility to meet the total needs of the community including and 18-hole golf course, tennis courts, swimming pools, biking trails, and ice rink and platform tennis courts; and

Whereas, the year 2022 marks the 50th Anniversary of the opening of the Simsbury Farms Recreation Complex at which we recognize that this vision had come to pass, with the amazing facility we have all grown to love as both adults and children, that our families grew up loving and that our children’s families will get to enjoy for years to come; and

Whereas, residents and visitors both young and old, continue to play and learn how to play golf, hockey, tennis, paddle tennis, basketball and pickleball along with swimming and diving in the multiple pools: and

Whereas, the Simsbury Recreation Complex is a source of pride for all Simsbury residents, where we’ve spent many hours with our family members, friends, and neighbors of all ages, enjoying the endless recreational activities available to us; and

Whereas, we thank all of the employees and volunteers who have made Simsbury Farms what it is today, and to all those who are playing in a golf league, taking swim lessons, joining a tennis clinic, pushing swings, at the playscape, watching an early morning hockey game, or just taking a walk and enjoying the spectacular view; and

Whereas, a series of events called “50 for 50” will be held throughout 2022 to commemorate this milestone – a Family Day, the Simsbury Farms Open, Movie Night, the Pickleball Tournament, and a spectacular grand finale concert and fireworks show to remember that will provide many opportunities for our community to engage in recreational activities; and

NOW, THEREFORE, I Wendy Mackstutis, First Selectman for the Town of Simsbury do hereby Proclaim in 2022 The 50th Anniversary Celebration of Simsbury Farms and request and encourage everyone in our community to support and enjoy the Simsbury Farms Recreation Complex, the “50 for 50” events, and to wholeheartedly share this important milestone with their friends, families, neighbors and peers

IN WITNESS WHEREOF, I have place my seal and the great seal of the Town of Simsbury on this 11th day of July 2022.

Wendy G. Mackstutis, First Selectman

c) Zoning for Cannabis Establishments Update

Mr. McGregor gave some history about cannabis, Public Act 21-1, which went into effect in 2021 and legalized cannabis in CT with density caps. In May of 2022 the density caps were removed. Simsbury adopted a moratorium on November 8, 2021 and this will end on November 8, 2022 to establish a time period to work on our regulations.

Mr. McGregor said the Zoning Commission is starting to work on land use framework for conditions about cannabis. There will be a public hearing in late fall and then adoption of this framework. This would allow or prohibit cannabis after revising Zoning ordinances. He thinks the moratorium can be extended as long as they are working on a solution.

After some discussion, there was no motion on this agenda item.
