2.02 The Bidder acknowledges that the Bid Documents represent the governing terms and conditions with respect to this Bid and any Contract that may arise herefrom. Bidder understands and accepts all of the terms and conditions of the Bid Documents, and its obligations and responsibilities thereunder with respect to this Bid in the event all or some portion of the Project Work is awarded to the Bidder, and acknowledges that any reiteration herein is only for emphasis.

2.03 The Bidder accepts all of the terms and conditions of the Bid Instructions, including without limitation those dealing with the disposition of Bid security and that this Bid will remain subject to acceptance for 90 days after the Bid opening, or for such longer period of time that Bidder may agree to in writing upon request of the Owner.
2.04 In particular, the Bidder has prepared this Bid Proposal in accordance with the requirements of the Bid Instructions, and any applicable provisions of any Bid Addendum (which provisions are also considered part of the Bid Instructions); the Bidder has taken all of the actions and made all of the judgments and determinations for which it is responsible in accordance with the Bid Instructions, or as otherwise necessary for proper preparation of its Bid Proposal; and, the Bidder agrees to abide by all of the provisions of the Bid Instructions with respect to the Bid process.

2.05 The Bidder has obtained or viewed and carefully studied all information included in the Bid Documents and all additional or supplementary information made available or otherwise identified through the bidding process, or otherwise known and available to the Bidder, with regards to any examinations, investigations, explorations, tests, studies, or other data concerning existing conditions (at-, above-, or sub-surface and including [but not limited to] Underground Facilities) at or contiguous to the Site.

2.06 The Bidder has considered the information known to the Bidder itself; information commonly known to contractors doing business in the locality of the Site; information and observations obtained from visits to the Site; the Bidding Documents; and any Site-related reports and drawings identified in the Bidding Documents, with respect to the effect of such information, observations, and documents on (1) the cost, progress, and performance of the Work; (2) the means, methods, techniques, sequences, and procedures of construction to be employed by Bidder; and (3) Bidder's safety precautions and programs.

2.07 The Bidder has determined that 1) the information contained in the Bid Documents is generally sufficient to convey the intent of the Town with respect to the Project Work and the final product(s) contemplated to arise therefrom; 2) the drawings, specifications, and other such information included in the Bid Documents and otherwise ascertained by the Bidder provide sufficient information and detail to construct and complete the subject Project Work and facilities proposed therein for the function(s), appearance(s), quality, and other standards contemplated by the Bid Documents and the Town as presented thereby, and to a reasonable, high-quality standard as would be generally accepted and expected for such work and facilities; 3) the time set forth in the Bid Documents for the prosecution of the Project Work is reasonable and sufficient for the same and to meet the standards set forth in the Bid Documents; and, 4) the bidder does not consider that any further examinations, investigations, explorations, tests, studies, or data are necessary for such prosecution, construction, and completion.

2.08 The Bidder has given the Town written notice of any errors, conflicts, ambiguities, or discrepancies discovered in the Bid Documents, and confirms that the written resolution thereof by Engineer is acceptable to Bidder.

2.09 The Bidder acknowledges that the Town reserves the rights set forth in Article 9 and Paragraphs 1.02, 14.05, 15.06, and 18.03 of the Bid Instructions, and otherwise set forth therein.

2.10 The Bidder acknowledges that the organization of the Bid, including [but not limited to] any itemization of the Bid, the selection of Bid Items therein, and any quantities represented therefor, is at the discretion of the Town and for the convenience of the Town in evaluating and comparing the submitted Bids and administering the Contract.
2.11 The Bidder has fully completed the Bidder Qualifications Statement in accordance with Paragraph 4.02 of the Bid Instructions and as otherwise appropriate based on the information requested therein.

2.12 The Bidder has clearly noted any exceptions, stipulations, substitutions, or conditions it may have to the Bid Documents in its submitted Bid Proposal; and, the Bidder understands that any or all of the same may render the submitted Bid to be considered as unresponsive by the Town and thereby be cause for rejection.

2.13 The submitted Bid Proposal is genuine and not made in the interest of or on behalf of any undisclosed party, and is not associated with any agreement or rules of any group, association, organization, or corporation not represented therein.

2.14 The Bidder has not participated in, or sought to participate in, in any manner, any collusion of any sort with respect to this Public Bid; and that the Bidder has promptly reported to the Town any attempt by any other party to involve it in collusion of any sort or to any degree with respect thereto. The Bidder has also complied with the provisions of Article 5 of the Bid Instructions with respect to any involvement in collusion with respect to this Bid by any prospective subcontractors, suppliers, and any other such entity as may have been involved in providing pricing information for, or to any other significant degree with, the preparation of this Bid.

2.15 With respect to this Itemized Bid, the Bidder acknowledges that:

a) Each Bid Unit Price amount submitted by the Bidder for a corresponding Bid Item includes, in the event the Bidder is awarded the Contract for the subject work, an amount considered by the Bidder to be adequate to cover the Bidder’s overhead and profit associated with the subject Bid Item;

b) Each Bid Unit Price amount submitted by the Bidder for a corresponding Bid Item includes, in the event the Bidder is awarded the Contract for the subject work, an amount considered by the Bidder to be adequate to cover incidentals to the subject Bid Item, which incidentals are not otherwise covered by or included in the price bid for another bid item, as may be warranted or necessary to perform the subject work or otherwise complete the subject Bid Item in strict conformance with and as required by the Drawings, Specifications, and all other Bid Documents, and for the use (or uses) and appearance intended by the Owner;

c) The estimated quantities are not guaranteed, and are solely for the purpose of comparison of Bids;

d) The “Bid Unit Total Price” for each Bid Item and the “Total Bid Price”, though required to be completed as part of the Bid, are requested by the Owner and provided by the Bidder solely as a convenience;

e) The Bid price for each item will be determined based on the product of the “Estimated Quantity” multiplied by the “Bid Unit Price” corresponding to the subject Bid Item, and the total Bid price for the subject Bid will be determined by the sum of the individual Bid prices so determined;

f) Final payment for all unit price Bid Items will be based on actual quantities completed; and,
g) Any changes in the Project scope shall be mutually agreed upon by the Owner and the successful Bidder. Should the Project scope be increased due to events and/or conditions not under the control and/or responsibility of the successful Bidder and not anticipated and/or evident in the Bid Documents and/or at the time of the Bid, then any additional work required will be paid for as extra work through a Change Order as set forth in the Bid Documents. Should the Project scope be decreased, an equitable credit, mutually agreed upon and determined by the best suitable means, will be taken by the Town and established through a Change Order.

ARTICLE 3 - Time of Completion

3.01 The Bidder agrees that the Work will be substantially complete within the number of calendar days indicated in Paragraph 1.08 of the Bid Instructions.

Guidelines for Gifts and Favors

The following guidelines are issued to delineate gifts and favors deemed to be of no substantial value and permissible under the provisions of Section 13-3 of the Code of Ethics Ordinance for the Town of Simsbury:

1. The acceptance of a small gift, the denial of which would appear discourteous, provided the value of the gift does not exceed approximately $50.00 from a single donor or $100.00 per calendar year from a single donor, is permitted.

2. If a gift is received which is of such insignificant consequence that the cost of its return exceeds the value of the gratuity, it may be accepted.

3. Inexpensive advertising novelties, such as pens, calendars, and other items customarily distributed to both the public and private sector, may be accepted.

4. An occasional meal or entertainment event may be accepted if it is in the ordinary course of business, but under no circumstances shall a meal or other event be accepted if the value exceeds approximately $50.00. Occasional means: infrequent, without regularity, and generally not to exceed six or eight occasions per year.

5. Any other offer for travel, meals or entertainment is prohibited by the ordinance unless:

   (a) it is part of an event related to the Town’s business in which the employee or public officials from other municipalities are also offered the same benefit; AND

   (b) the event is approved in advance by the First Selectman in the case of Town officials and employees, or the Superintendent of Schools in the case of Board of Education officials and employees.

Any such approvals by the First Selectman or Superintendent of Schools which exceed $50.00 in value shall be reported in writing to the Chair of the Board of Ethics within ten (10) business days following the date of approval giving a description of the event, the approximate dollar amount involved, and the reason for the approval.

6. Acceptance of a gift, meal, entertainment event or other gratuity from a family member of person having a close relationship who would ordinarily be giving or exchanging gifts for special occasions such as religious holidays, birthdays, birth or adoption of a child are allowed unless the donor has a matter pending where the recipient of the gift has decision making authority.

Approved by the Board of Selectmen on September 10, 2001
Chapter 13, ETHICS, CODE OF

[HISTORY: Originally adopted by the Board of Selectmen of the Town of Simsbury 9-14-1988. Revised on September 10, 2001.]

Chapter 13-1. Legislative Intent.

The proper operation of government requires that public officials and public employees be independent, impartial and responsible to the people; that governmental decisions and policies be made free from undue influence and in the proper channels of governmental structure; that governmental office and employment not be used for unauthorized personal gain; that governmental officials and employees strive to avoid even the appearance of impropriety; and that the public have confidence in the integrity of its government. The purpose of this Code of Ethics is to set forth standards of ethical conduct to guide officials and employees of the Town of Simsbury in the conduct of their public responsibilities and to develop and maintain a tradition of responsible and effective public service. In recognition of these goals, this Code of Ethics is established pursuant to authority granted to the Town by Connecticut General Statutes §7-148h.

Chapter 13-2. Board of Ethics.

A. Establishment. As authorized by §702 and §715 of the Charter of the Town of Simsbury and §7-148h of the Connecticut General Statutes, the Board of Selectmen shall appoint a Board of Ethics consisting of six members, two of whom shall be registered Republicans, two of whom shall be registered Democrats and two of whom shall be unaffiliated voters. The members of the Board shall serve four-year terms, except that at the first appointment by the Board of Selectmen, one Republican, one Democrat and one unaffiliated voter shall be appointed for two-year terms, with the remaining members appointed for four-year terms. Biennially, thereafter, the Board of Selectmen shall appoint in the manner provided in the Charter of the Town of Simsbury.

B. Organization and Procedure. The Board shall elect a Chairman and Vice Chairman/Secretary and shall establish its own rules and procedures, which shall be available to any elector of the town upon request to the Board. The first rules and procedures shall be established within six months of the date this chapter becomes effective. The need to maintain confidentiality in order to protect the privacy of public officials, employees and consultants shall be considered when establishing the rules and procedures. It shall keep records of its meetings and shall hold meetings at the call of the Chairman and at such other times as it may determine.
C. Powers and Duties.

(1) The Board shall render advisory opinions with respect to the applicability of the Code of Ethics to specific situations to any agency or any official, employee or consultant pursuant to a written request or upon its own initiative. The Board may also issue guidelines. Such opinions and guidelines, until amended or revoked, shall be binding on the Board and reliance upon them in good faith is an absolute defense in any action brought under the provisions of this chapter or under Section 1103 of the Town Charter. Any request or opinion, the disclosure of which invades the personal privacy of any individual [as that term is used in Connecticut General Statutes §1-19(b)(2) by the Connecticut Freedom of Information Commission and the courts], shall be kept confidential in a personnel or similar file and shall not be subject to public inspection or disclosure. The Board may make available to the public any advisory opinions that do not invade an individual's privacy and may take other appropriate steps in an effort to increase public awareness of this Code of Ethics.

(2) The Board shall establish procedures by which the public may initiate complaints alleging a violation of this Code of Ethics. The Board itself may also initiate such a complaint. The Board shall have the power to hold hearings concerning the application of this code and its violation and may administer oaths and compel the attendance of witnesses by subpoena. As required by §7-148h (a) of the Connecticut General Statutes, the provisions of §1-82(a) through (e) of the Connecticut General Statutes shall apply to all investigations and hearings held under this ordinance. If the Board determines that there is probable cause it shall continue the investigation and hold such further hearings as may be necessary, and if the Board determines that the respondent has, in fact, violated the provisions of this code, it shall file a memorandum of decision with a recommendation for appropriate action with the Board of Selectmen, except with respect to individuals under the jurisdiction of the Board of Education, in which cases the memorandum of decision shall be filed with the Board of Education. In the case of a consultant, it shall also be filed with the contracting agency. The recommended action may include private reprimand, public censure, a fine not to exceed $100 or other such action as the Board of Selectmen or Board of Education may deem appropriate in accordance with their respective responsibilities under the law provided that in the case of union employees, such recommended action does not constitute a unilateral change in conditions of employment. No such recommendation shall limit the authority of the Board of Selectmen or the Board of Education under the Charter of the Town of Simsbury or under any ordinance, statute or any other law, and the actions hereunder shall be supplemental to any authority the Board of Selectmen or Board of Education has under any ordinance, statute or any other law. Any discussion by the Board of Selectmen, Board of Education or contracting agency of an individual affected by said memorandum of decision shall be in executive session, unless the individual affected requests that such discussion be held in open session.

Chapter 13-3. Definitions.

For the purpose of this chapter, the following terms shall have the indicated meanings:

A. "Agency" means all boards, commissions, authorities and committees of the Town of Simsbury, including the Board of Education but not including a Town Meeting.
B. "Official" includes all persons who are members of a Town agency.

"Financial Interest" means any interest that: (1) has a monetary value of $100.00 or more or generates a financial gain or loss of $100.00 or more in a calendar year; and (2) is not common to the other citizens of the Town. F. "Beneficial Interest" means any non-financial interest or special treatment that is not common to other citizens of the Town. An individual's "beneficial interests" shall include the "beneficial interests" of all members of his/her family who reside in his/her household.

G. "Confidential Information" means information, whether transmitted orally or in writing, that is obtained by an official or employee by reason of his/her public position and is of such nature that, at the time of transmission, it is not a matter of public record.

H. Immediate Family means a member of a person’s family who resides in the person’s household.

This Code of Ethics shall be incorporated into all contracts entered into by an agency and a consultant.

Persons or firms who are engaged by and receive compensation from other entities, such as the state or federal government, and who are in a position to influence any decision of an agency, official or employee shall be guided by this Code of Ethics, and the Board of Ethics, upon complaint or its own motion, may make recommendations to the entity employing such persons.

Chapter 13-5. Confidential Information.

Except as otherwise required by law, no official, employee or consultant shall disclose, without proper authorization, confidential information, nor shall he/she use such information to advance his/her financial or beneficial interests or the financial or beneficial interests of others. This section shall not be used to restrict the release of information that is properly available to the public.

Chapter 13-6. Use of Influence.

No official, employee or consultant may inappropriately use his/her position to seek, demand, or influence a financial interest or a beneficial interest in his/her favor or in favor of any other person or entity.

No official, employee or consultant or any member of his/her immediate family nor any agency, employee organization or group of employees shall solicit or accept any valuable gift, whether in the form of a service, a loan at a less than a commercially reasonable rate, a material thing or a promise, from any person or entity who or which is interested directly or indirectly in any business transactions or pending matters that are within the purview of such prospective recipient's official responsibilities. No official or employee shall accept any special favor, treatment, consideration or advantage beyond that which is generally available to citizens of the Town from any person who, to the official or employee's knowledge, is interested directly or indirectly in any business transactions or pending matters that are within his/her official responsibilities. For purposes of this section, pending matters include, but are not limited to, applications to agencies, bids for work to be performed, applications for employment and bids for the furnishing of supplies, equipment or other items.

The Board of Ethics shall formulate guidelines for delineating gifts and favors deemed not to be of value in order to avoid de minimus situations. Such guidelines shall become effective upon adoption by the Board of Selectmen.

This section shall not apply to a political contribution otherwise reported as required by law.

Chapter 13-8. Equal Treatment.

Without proper authorization, no official, employee or consultant shall grant any special consideration, treatment or advantage to any citizen beyond that which is available to every other citizen.
Chapter 13-9. Conflict of Interest.

An official or employee or consultant has a conflict of interest when he/she engages in or participates in any transaction, including private employment and the rendering of private services, that is incompatible with the proper discharge of his/her official responsibilities in the public interest or would tend to impair his/her independent judgment or action in the performance of his official responsibilities.

An official or employee or consultant has a financial interest or beneficial interest that is incompatible with the proper discharge of his/her official responsibilities in the public interest if he/she has reason to believe or expect that he/she will derive such interest by reason of his/her performance of his/her official responsibilities.

An official or employee or consultant does not have a financial or beneficial interest that is incompatible with the proper discharge of his/her official responsibilities in the public interest if any such interest accrues to him/her as a member of a business, profession, occupation or group to no greater extent than it accrues to any other member of the business, profession, occupation or group that he/she represents. This does not relieve an individual from his/her obligation to refrain from voting on any matter that would directly benefit his/her business, profession, occupation, group or immediate family as required by Section 13-10 of this Code of Ethics, Section 1103 of the Charter of the Town of Simsbury and General Statutes §7-148h(b).

Chapter 13-10. Disclosure.

A. Any official, employee or consultant who has a financial or beneficial interest, direct or indirect, in any contract, transaction or decision within the purview of his/her official responsibilities shall disclose that interest in writing to the Board of Selectmen. Such disclosure also shall be provided, in the case of an official, to the agency of which the official is a member, and, in the case of an employee or consultant, to the agency by which he/she is employed or has been retained. Such disclosure shall disqualify the official, employee or consultant from participation in the matter, and violation of this section shall be grounds for removal by the appropriate agency in accordance with applicable law.

B. No official or employee or consultant shall appear on behalf of any private person or party before any agency in connection with any cause, proceeding, application or other matter in which he/she has a financial or beneficial interest without first disclosing such interest to the agency, which shall record such disclosure in the record of the agency's proceeding. The Secretary or Clerk of said agency shall notify the First Selectman and, in the case of an official or employee of the Board of Education, the Chairman of the Board of Education, and the Chairman of the Board of Ethics in writing of such disclosure within three business days.

Chapter 13-11. Incompatible Employment and Activities.

A. No official or employee shall engage in or accept private employment or render services for private interest when the employment or services: (1) are incompatible with the proper discharge of his/her official duties; or (2) would tend to impair his/her independence of judgment or action in the performance of his official duty. No consultant shall engage in employment or render services for interests other than the Town when such employment or services: (1) are incompatible with the proper discharge of his/her consulting duties; or (2) would tend to impair the independence of his/her judgment or action on the matter for which he has been engaged by the Town.

B. No former official, employee or consultant shall appear on behalf of any private person or other entity before any agency with which he/she previously was employed or affiliated for a period of one year after the termination of his/her public service or employment. Such an individual may be relieved of his/her duty to refrain from such appearance upon written application to the Board of Ethics, which Board shall review the written application and relevant facts.

C. No former official, employee or consultant shall appear on behalf of any private person or other entity before any agency in regard to a matter in which he/she previously participated in the course of his/her official responsibilities for a period of one year after the termination of his/her public service or employment. Such an individual may be relieved of his/her duty to refrain from such appearance upon written application to the Board of Ethics, which Board shall review the written application and relevant facts.
D. Subsections B, C and D of this section shall not prohibit any current or former official, employee or consultant from appearing before any agency on his/her own behalf or on behalf of members of his/her family living in his/her household. To avoid the appearance of impropriety, officials are strongly discouraged from recusing themselves and appearing before their own agency unless extenuating circumstances exist. When in doubt, an official should seek an opinion from the Board of Ethics prior to appearing before his/her own agency.

E. An official should not appear before, or participate in the proceeding of, another agency in violation of Connecticut General Statutes §8-11 or §8-21 or any other provision of the General Statutes.

F. To avoid even the appearance of impropriety, an official not otherwise prohibited shall exercise care when appearing before other agencies and shall disclose whether he/she is appearing in his/her official capacity or as a private citizen.

Chapter 13-12. Acknowledgment Form.

A. Every official shall sign and file with the Board of Selectmen an acknowledgement form, supplied by the First Selectman, indicating his/her awareness of the provisions of this Code of Ethics, the guidelines issued thereunder and Section 1103 of the Charter of the Town of Simsbury on or before being sworn into office and again thereafter in January of each even numbered year. The Board of Selectmen shall adopt and implement a procedure for monitoring compliance with the aforesaid filing requirement.

Every employee, other than persons employed by the Board of Education, shall execute an acknowledgment form, supplied by the First Selectman, indicating the employee's awareness of the provisions of this Code of Ethics, the guidelines issued thereunder and Section 1103 of the Charter of the Town of Simsbury as follows:

2. Current employees shall execute the form within 60 days after the adoption of the procedure set forth in paragraph C above and thereafter at intervals specified by the Board of Selectmen, but in no event shall such intervals be less frequent than a period of 2 years from the date of signing the last acknowledgement form.

2. Current employees shall execute the form within 60 days after the adoption of the procedure set forth in Paragraph D above and thereafter at intervals specified by the Board of Education, but in no event shall such intervals be less frequent than a period of 2 years from the date of signing the last acknowledgement form.
The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4)Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

(a) the bidder’s success in implementing an affirmative action plan;
(b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
(c) the bidder’s promise to develop and implement a successful affirmative action plan;
(d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
(e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.
