Statement of Purpose for the
Simsbury Business Incentive Program

In an ongoing effort to attract, retain and expand local businesses, the Town of Simsbury has adopted an incentive and abatement program. Created in accordance with Connecticut General Statutes 12-65b and 12-65h, the program allows the Town to enter into written agreements with owners and/or lessees of certain real property where targeted businesses are located or could be properly located in accordance with adopted plans in certain locations in Simsbury.

The decision to approve a request for tax abatement or any benefit described in this Policy is within the sole and exclusive discretion of the Simsbury Board of Selectmen. The filing of an application under this Policy or any recommendation of the Business development Committee or any other Town Agency is not binding on the Board of Selectmen and creates no rights for the applicant or any obligation for the Town.

*This Business Incentive Program is completely separate from the statutorily required local land use approval process.*

TYPES OF ASSISTANCE AVAILABLE:

Tax Abatement:
The assessment of the real property and all improvements to be constructed thereon may be
reduced for a period of time and under the conditions set forth in the above information chart.
The period of reduced assessment shall commence with the Grand List immediately following the
issuance of a final certificate of occupancy for the new or expanded construction and upon the
execution of an agreement satisfactory to the Town Attorney that will set the terms and conditions
of the abatement/incentive based on the established parameters.

Waiving or Reduction of Any Town Permit Fees for targeted businesses and industries:
The BDC Committee may recommend to the Board of Selectmen waiver of up to 50% of any Town
permit fees or a smaller portion of such fee upon request and determination that such a fee waiver
would encourage the development or expansion of quality businesses especially those of the targeted
industries. The Board of Selectmen may upon recommendation of the BDC agree to waive a portion
up to 50% of the entire fee as it may determine necessary to encourage the desirable development.
The development must have been determined to meet the applicable desirable criteria as outlined
herein. The Town and the applicant shall enter into an agreement which will set forth the terms and
conditions based upon the established guidelines. The agreement shall be approved by the Town
Attorney. Waiver of sewer fees should be directed towards the Water Pollution Control Authority.

Infrastructure Rebate Program:
An applicant who is applying for a complying new or expanded existing business development that
meets the criteria herein may also apply for a partial rebate for infrastructure which is located in the
public right of way and approved by the appropriate Town Departments, Town Engineer, and the
Board of Selectmen for the construction of infrastructure which the Town Engineer determines will
serve a valid public purpose, be in the best long term interest of the Town and may also, in certain
developments, clearly contribute to the creation of a more walkable, sustainable community. Note
that only improvements that are public and are constructed in the public right of way are eligible for
any potential rebate. Parking facilities, for example, which are available to the public may be
determined to be eligible for this program.

The percentage rebate which may be applied to any given development under this infrastructure
rebate program is to be determined and recommended by the Town Engineer. The maximum
percentage of rebate is to be 50% of the cost as determined acceptable by the Town Engineer.
Certification of actual cost shall be made to the satisfaction of the Town Engineer. The actual
