Biennially, thereafter, the Board of Selectmen shall appoint in the manner provided in the Charter of the Town of Simsbury.

B. Organization and Procedure. The Board shall elect a Chairman and Vice Chairman/Secretary and shall establish its own rules and procedures, which shall be available to any elector of the town upon request to the Board. The first rules and procedures shall be established within six months of the date this chapter becomes effective. The need to maintain confidentiality in order to protect the privacy of public officials, employees and consultants shall be considered when establishing the rules and procedures. It shall keep records of its meetings and shall hold meetings at the call of the Chairman and at such other times as it may determine.
C. **Powers and Duties.**

(1) The Board shall render advisory opinions with respect to the applicability of the Code of Ethics to specific situations to any agency or any official, employee or consultant pursuant to a written request or upon its own initiative. The Board may also issue guidelines. Such opinions and guidelines, until amended or revoked, shall be binding on the Board and reliance upon them in good faith is an absolute defense in any action brought under the provisions of this chapter or under Section 1103 of the Town Charter. Any request or opinion, the disclosure of which invades the personal privacy of any individual [as that term is used in Connecticut General Statutes §1-19(b)(2) by the Connecticut Freedom of Information Commission and the courts], shall be kept confidential in a personnel or similar file and shall not be subject to public inspection or disclosure. The Board may make available to the public any advisory opinions that do not invade an individual's privacy and may take other appropriate steps in an effort to increase public awareness of this Code of Ethics.

(2) The Board shall establish procedures by which the public may initiate complaints alleging a violation of this Code of Ethics. The Board itself may also initiate such a complaint. The Board shall have the power to hold hearings concerning the application of this code and its violation and may administer oaths and compel the attendance of witnesses by subpoena. As required by §7-148h (a) of the Connecticut General Statutes, the provisions of §1-82(a) through (e) of the Connecticut General Statutes shall apply to all investigations and hearings held under this ordinance. If the Board determines that there is probable cause it shall continue the investigation and hold such further hearings as may be necessary, and if the Board determines that the respondent has, in fact, violated the provisions of this code, it shall file a memorandum of decision with a recommendation for appropriate action with the Board of Selectmen, except with respect to individuals under the jurisdiction of the Board of Education, in which cases the memorandum of decision shall be filed with the Board of Education. In the case of a consultant, it shall also be filed with the contracting agency. The recommended action may include private reprimand, public censure, a fine not to exceed $100 or other such action as the Board of Selectmen or Board of Education may deem appropriate in accordance with their respective responsibilities under the law provided that in the case of union employees, such recommended action does not constitute a unilateral change in conditions of employment. No such recommendation shall limit the authority of the Board of Selectmen or the Board of Education under the Charter of the Town of Simsbury or under any ordinance, statute or any other law, and the actions hereunder shall be supplemental to any authority the Board of Selectmen or Board of Education has under any ordinance, statute or any other law. Any discussion by the Board of Selectmen, Board of Education or contracting agency of an individual affected by said memorandum of decision shall be in executive session, unless the individual affected requests that such discussion be held in open session.

**Chapter 13-3. Definitions.**

For the purpose of this chapter, the following terms shall have the indicated meanings:

A. "Agency" means all boards, commissions, authorities and committees of the Town of Simsbury, including the Board of Education but not including a Town Meeting.

B. "Official" includes all persons who are members of a Town agency.

C. "Employee" includes all persons, including but not limited to officers and supervisors, employed by the Town and encompasses all persons, including but not limited to officers and supervisors, employed by the Board of Education.

D. "Consultant" means any independent contractor or professional person or firm that is engaged by and receives compensation from any agency for the purpose of providing scientific, technical or other specialized opinion to such agency and is in a position to influence any decision of an agency, official or employee.

E. "Financial Interest" means any interest that: (1) has a monetary value of $100.00 or more or generates a financial gain or loss of $100.00 or more in a calendar year; and (2) is not common to the other citizens of the Town. An individual's "financial interests" shall include the financial interests of all members of his/ her family who reside in his/ her household but shall not include any duly authorized compensation from the Town.
F. "Beneficial Interest" means any non-financial interest or special treatment that is not common to other citizens of the Town. An individual's "beneficial interests" shall include the "beneficial interests" of all members of his/her family who reside in his/her household.

G. "Confidential Information" means information, whether transmitted orally or in writing, that is obtained by an official or employee by reason of his/ her public position and is of such nature that, at the time of transmission, it is not a matter of public record.

H. Immediate Family means a member of a person’s family who resides in the person’s household.

This Code of Ethics shall be incorporated into all contracts entered into by an agency and a consultant.

Persons or firms who are engaged by and receive compensation from other entities, such as the state or federal government, and who are in a position to influence any decision of an agency, official or employee shall be guided by this Code of Ethics, and the Board of Ethics, upon complaint or its own motion, may make recommendations to the entity employing such persons.

Chapter 13-5. Confidential Information.

Except as otherwise required by law, no official, employee or consultant shall disclose, without proper authorization, confidential information, nor shall he/ she use such information to advance his/her financial or beneficial interests or the financial or beneficial interests of others. This section shall not be used to restrict the release of information that is properly available to the public.

Chapter 13-6. Use of Influence.

No official, employee or consultant may inappropriately use his/ her position to seek, demand, or influence a financial interest or a beneficial interest in his/ her favor or in favor of any other person or entity.

No official, employee or consultant or any member of his/her immediate family nor any agency, employee organization or group of employees shall solicit or accept any valuable gift, whether in the form of a service, a loan at a less than a commercially reasonable rate, a material thing or a promise, from any person or entity who or which is interested directly or indirectly in any business transactions or pending matters that are within the purview of such prospective recipient's official responsibilities. No official or employee shall accept any special favor, treatment, consideration or advantage beyond that which is generally available to citizens of the Town from any person who, to the official or employee's knowledge, is interested directly or indirectly in any business transactions or pending matters that are within his/ her official responsibilities. For purposes of this section, pending matters include, but are not limited to, applications to agencies, bids for work to be performed, applications for employment and bids for the furnishing of supplies, equipment or other items.

The Board of Ethics shall formulate guidelines for delineating gifts and favors deemed not to be of value in order to avoid de minimus situations. Such guidelines shall become effective upon adoption by the Board of Selectmen.

This section shall not apply to a political contribution otherwise reported as required by law.

Chapter 13-8. Equal Treatment.

Without proper authorization, no official, employee or consultant shall grant any special consideration, treatment or advantage to any citizen beyond that which is available to every other citizen.
Chapter 13-9. Conflict of Interest.

An official or employee or consultant has a conflict of interest when he/she engages in or participates in any transaction, including private employment and the rendering of private services, that is incompatible with the proper discharge of his/her official responsibilities in the public interest or would tend to impair his/her independent judgment or action in the performance of his official responsibilities.

An official or employee or consultant has a financial interest or beneficial interest that is incompatible with the proper discharge of his/her official responsibilities in the public interest if he/ she has reason to believe or expect that he/she will derive such interest by reason of his/her performance of his/her official responsibilities.

An official or employee or consultant does not have a financial or beneficial interest that is incompatible with the proper discharge of his/her official responsibilities in the public interest if any such interest accrues to him/her as a member of a business, profession, occupation or group to no greater extent than it accrues to any other member of the business, profession, occupation or group that he/she represents. This does not relieve an individual from his/her obligation to refrain from voting on any matter that would directly benefit his/her business, profession, occupation, group or immediate family as required by Section 13-10 of this Code of Ethics, Section 1103 of the Charter of the Town of Simsbury and General Statutes §7-148h(b).

Chapter 13-10. Disclosure.

A. Any official, employee or consultant who has a financial or beneficial interest, direct or indirect, in any contract, transaction or decision within the purview of his/her official responsibilities shall disclose that interest in writing to the Board of Selectmen. Such disclosure also shall be provided, in the case of an official, to the agency of which the official is a member, and, in the case of an employee or consultant, to the agency by which he/she is employed or has been retained. Such disclosure shall disqualify the official, employee or consultant from participation in the matter, and violation of this section shall be grounds for removal by the appropriate agency in accordance with applicable law.

B. No official or employee or consultant shall appear on behalf of any private person or party before any agency in connection with any cause, proceeding, application or other matter in which he/ she has a financial or beneficial interest without first disclosing such interest to the agency, which shall record such disclosure in the record of the agency's proceeding. The Secretary or Clerk of said agency shall notify the First Selectman and, in the case of an official or employee of the Board of Education, the Chairman of the Board of Education, and the Chairman of the Board of Ethics in writing of such disclosure within three business days.

Chapter 13-11. Incompatible Employment and Activities.

A. No official or employee shall engage in or accept private employment or render services for private interest when the employment or services: (1) are incompatible with the proper discharge of his/her official duties; or (2) would tend to impair his/her independence of judgment or action in the performance of his official duty. No consultant shall engage in employment or render services for interests other than the Town when such employment or services: (1) are incompatible with the proper discharge of his/her consulting duties; or (2) would tend to impair the independence of his/her judgment or action on the matter for which he has been engaged by the Town.

B. No former official, employee or consultant shall appear on behalf of any private person or other entity before any agency with which he/she previously was employed or affiliated for a period of one year after the termination of his/her public service or employment. Such an individual may be relieved of his/her duty to refrain from such appearance upon written application to the Board of Ethics, which Board shall review the written application and relevant facts.

C. No former official, employee or consultant shall appear on behalf of any private person or other entity before any agency in regard to a matter in which he/she previously participated in the course of his/her official responsibilities for a period of one year after the termination of his/her public service or employment. Such an individual may be relieved of his/her duty to refrain from such appearance upon written application to the Board of Ethics, which Board shall review the written application and relevant facts.
D. Subsections B, C and D of this section shall not prohibit any current or former official, employee or consultant from appearing before any agency on his/her own behalf or on behalf of members of his/her family living in his/her household. To avoid the appearance of impropriety, officials are strongly discouraged from recusing themselves and appearing before their own agency unless extenuating circumstances exist. When in doubt, an official should seek an opinion from the Board of Ethics prior to appearing before his/her own agency.

E. An official should not appear before, or participate in the proceeding of, another agency in violation of Connecticut General Statutes §8-11 or §8-21 or any other provision of the General Statutes.

F. To avoid even the appearance of impropriety, an official not otherwise prohibited shall exercise care when appearing before other agencies and shall disclose whether he/she is appearing in his/her official capacity or as a private citizen.

Chapter 13-12. Acknowledgment Form.

A. Every official shall sign and file with the Board of Selectmen an acknowledgement form, supplied by the First Selectman, indicating his/her awareness of the provisions of this Code of Ethics, the guidelines issued thereunder and Section 1103 of the Charter of the Town of Simsbury on or before being sworn into office and again thereafter in January of each even numbered year. The Board of Selectmen shall adopt and implement a procedure for monitoring compliance with the aforesaid filing requirement.

B. Every consultant shall sign and file with agency by which he/she is retained an acknowledgment form, supplied by the First Selectman, indicating his/her awareness of the provisions of this Code of Ethics, the guidelines thereunder and Section 1103 of the Charter of the Town of Simsbury on or before being retained by an agency. The Board of Selectmen shall adopt and implement a procedure for monitoring compliance with the aforesaid filing requirement.

C. The plan shall be completed within 120 days after the adoption of this Code of Ethics, and a copy of the plan shall be filed with the Board of Ethics upon its adoption. Every employee, other than persons employed by the Board of Education, shall execute an acknowledgment form, supplied by the First Selectman, indicating the employee's awareness of the provisions of this Code of Ethics, the guidelines issued thereunder and Section 1103 of the Charter of the Town of Simsbury as follows:

2. Current employees shall execute the form within 60 days after the adoption of the procedure set forth in paragraph C above and thereafter at intervals specified by the Board of Selectmen, but in no event shall such intervals be less frequent than a period of 2 years from the date of signing the last acknowledgement form.

D. The Board of Education shall adopt and the Superintendent shall implement a plan for making all employees of the Board of Education aware of the provisions of this Code of Ethics, the guidelines issued thereunder and Section 1103 of the Charter of the Town of Simsbury. The plan adopted by the Board of Education shall contain a provision requiring that department heads review such provisions with all employees at an interval to be determined by the Board of Education. 19.1 The date of beginning and the time for completion of the WORK are essential conditions of the CONTRACT DOCUMENTS and the WORK embraced shall be commenced on a date specified in the NOTICE TO PROCEED.

19.2 The CONTRACTOR will proceed with the work at such rate of progress to insure full completion within the CONTRACT TIME. It is expressly understood and agreed, by and between the CONTRACTOR and the OWNER, that the CONTRACT TIME for the completion of the WORK described herein is a reasonable time, taking into consideration the average climatic and economic conditions and other factors prevailing in the locality of the WORK.

19.3 If the CONTRACTOR is delayed at any time in the progress of the WORK by changes ordered in the WORK, by labor disputes, fire, unusual delay in transportation, unavoidable casualties, causes beyond the CONTRACTOR’S control, or by any cause which the ENGINEER may determine justifies the delay, then the CONTRACT TIME shall be extended by CHANGE ORDER for such reasonable time as the ENGINEER may determine.

20. SUSPENSION OF WORK, TERMINATION AND DELAY

20.1 The OWNER may suspend the WORK or any portion thereof for a period of not more than ninety days, or such further time as agreed upon by the CONTRACTOR, by WRITTEN NOTICE to the CONTRACTOR and the ENGINEER which notice shall fix the date on which work shall be resumed. The CONTRACTOR will resume that WORK on the date so fixed. The CONTRACTOR will be allowed an increase in the CONTRACT PRICE or an extension of the CONTRACT TIME, or both, directly attributable to any suspension.

workmen or suitable materials or equipment, or if he/she repeatedly fails to make
prompt payments to SUBCONTRACTORS or for labor, materials, or equipment or
if he/she disregards laws, ordinances, rules, regulations or orders of any public
body having jurisdiction of the WORK or if he/she disregards the authority of the

excess SHALL BE PAID TO THE CONTRACTOR. If such costs exceed such
unpaid balance, the CONTRACTOR will pay the difference to the OWNER. Such
costs incurred by the OWNER will be determined by the TOWN ENGINEER and
incorporated in a CHANGE ORDER.

20.3 Where the CONTRACTOR’S services have been so terminated by the OWNER, said
termination shall not affect any right of the OWNER against the CONTRACTOR
then existing or which may thereafter accrue. Any retention or payment of monies
by the OWNER due the CONTRACTOR will not release the CONTRACTOR from
compliance with the CONTRACT DOCUMENTS.

20.4 After ten (10) days from delivery of a WRITTEN NOTICE to the CONTRACTOR
and the ENGINEER, the OWNER may, without cause and without prejudice to any
other right or remedy, elect to abandon the PROJECT and terminate the contract.
In such case, the CONTRACTOR shall be paid for all WORK executed and any
expense sustained plus reasonable profit.

period of more than ninety (90) days by the OWNER or under an order of court or
other public authority, or the ENGINEER fails to act on any request for payment
within thirty (30)days after it is submitted, or the OWNER fails to pay the
CONTRACTOR substantially the sum approved by the ENGINEER or awarded by
arbitrators within (30) days of its approval and presentation, then the Contractor
may, after ten (10) days from delivery of a WRITTEN NOTICE to the OWNER and
the ENGINEER, terminate the CONTRACT and recover from the OWNER
payment for all WORK executed and all expenses sustained. In addition and in lieu
of terminating the CONTRACT, if the ENGINEER has failed to act on a request for
payment or if the OWNER has failed to make any payment as aforesaid, the
CONTRACTOR may upon Ten (10) Days written notice to the OWNER and the
ENGINEER stop the WORK until he has been paid all amounts then due, in which
event and upon resumption of the WORK until he has been paid all amounts then
due, in which event and upon resumption of the WORK, CHANGE ORDERS shall be issued for adjusting the CONTRACT PRICE or extending the CONTRACT TIME or both to compensate for the costs and delays attributable to the stoppage of the WORK.

20.6 If the performance of all or any portion of the WORK is suspended, delayed, or interrupted as a result of a failure of the OWNER or TOWN ENGINEER to act within the time specified in the CONTRACT DOCUMENTS, or if no time is specified, within a reasonable time, an adjustment in the CONTRACT PRICE or an extension of the CONTRACT TIME, or both shall be made by CHANGE ORDER to compensate the CONTRACTOR for the costs and delays necessarily caused by the failure of the OWNER or ENGINEER.

22.1 The OWNER reserves the right to let other contracts in connection with this PROJECT. The CONTRACTOR shall afford other CONTRACTORS reasonable opportunity for the introduction and storage of their materials and the execution of their WORK, and shall properly connect and coordinate his WORK with theirs. If the proper execution or results of any part of the CONTRACTOR's WORK depends upon the WORK of any other CONTRACTOR, the CONTRACTOR shall inspect
and promptly report to the ENGINEER any defects in such WORK that render it unsuitable for such proper execution and results.

22.2 The OWNER may perform additional WORK related to the PROJECT by himself, or he may let other Contracts containing provisions similar to these. 22.3 If the performance of Additional WORK by other CONTRACTORS or the OWNER is not noted in the CONTRACT DOCUMENTS prior to the execution of the CONTRACT, written notice thereof shall be given to the CONTRACTOR prior to starting any such additional WORK. If the CONTRACTOR believes that the performance of such additional WORK by the OWNER or others involves him in additional expense or entitles him to an extension of the CONTRACT TIME, he may make a Claim therefore as provided in Sections 22 and 23.

23. SUBCONTRACTING

23.1 The CONTRACTOR may utilize the services of Specialty SUBCONTRACTORS on those parts of the WORK which, under normal contracting practices, are performed by Specialty CONTRACTORS.

23.2 The CONTRACTOR shall not award WORK to SUBCONTRACTOR(s) in excess of Fifty (50) Percent of the CONTRACT PRICE, without prior written approval of the OWNER.

23.3 The CONTRACTOR shall be fully responsible to the OWNER for the Acts and omissions of his SUBCONTRACTORS, and of persons either directly or indirectly employed by him.

23.4 The CONTRACTOR shall cause appropriate provisions to be inserted in all subcontracts relative to the WORK to bind SUBCONTRACTORS, as applicable to the WORK OF SUBCONTRACTORS and to give the CONTRACTOR the same power as regards terminating any subcontract that the OWNER may exercise of the CONTRACTOR under any provision of the CONTRACT DOCUMENTS.

23.5 Nothing contained in this CONTRACT shall create any contractual relation between any SUBCONTRACTOR and the OWNER.
24. GUARANTY

The OWNER will give notice of observed defects with reasonable promptness. In the event that the CONTRACTOR should fail to make such repairs, adjustments, or other WORK that may be made necessary by such defects, the OWNER may do so and charge the CONTRACTOR the cost thereby incurred.

This agreement to arbitrate shall be specifically enforceable under the prevailing Connecticut Arbitration law.

25.2 Notice of the Demand for Arbitration shall be filed in writing with the Other Party to the CONTRACT DOCUMENTS and with the American Arbitration Association, and a copy shall be filed with the Town Engineer.
