## ADDENDUM No. 3

### TOWN OF SIMSBURY

### Request for Proposals

### FOR

### POWER PURCHASE AGREEMENT FOR SOLAR PHOTOVOLATAIC SYSTEMS

The information provided in this Addendum is intended to supplement and clarify the existing information in the RFP and is not to replace any part of the specification unless clearly indicated as such.

---

Below are responses to questions we received to date:

*Question:* There are two sets of usage numbers, but one "total" for the ice rink of 550,000kWh/yr. Is this all on one meter?

*Response:* **The Ice Rink has two separate meters. The usage for those meters can be found in APPENDIX 1.**

*Question:* How old is the roof of the ice rink? It looks like the as-builts are from 1999, so is the roof 18 years old? Are there plans to redo any roofs?

*Response:* **The plans for the Ice Rink roof is the most recent we have on record. There are no current plans to re-roof the Ice Rink. See RFP for information on Proposers requirements in the event we need to replace the roofing.**

*Question:* Would the Town be open to allowing for the removal of trees blocking sunlight to the solar panels?

*Response:* **Yes, the Town would consider selected tree removal. Proposers shall identify the need for tree removal in their response.**

Proposals are due Tuesday, June 13<sup>th</sup> at 10:00am in the Office of the Finance Director.
