ADDENDUM No. 1

TOWN OF SIMSBURY
Invitation to Bid

FOR

Wastewater Sludge Hauling

The information provided in this Addendum is intended to supplement and clarify the existing information in the ITB and is not to replace any part of the specification unless clearly indicated as such.

Below are responses to questions we received to date:

**Question:** What is the size of the area where the container will be placed?

**Response:** The area for the container is 33’l x 14’w x 13’3”h

**Question:** What is the garage door size?

**Response:** 14’w x 13’9”h

**Question:** What is the average weight of the sludge cake?

**Response:** The average weight of the sludge cake that is currently hauled in a load is 39,000 lb. This does not include the weight of the truck,
