Board of Finance Agenda Item Submission Form

1. **Title of Submission:** Approval of Tax Collector Suspense List

2. **Date of Board Meeting:** May 14, 2019

3. **Individual or Entity Making the Submission:**
Amy Meriwether, Finance Director/Treasurer; Colleen O'Connor, Tax Collector

4. **Action Requested of the Board of Finance:**
If the Board of Finance supports the recommendation of the Tax Collector, the following motion is in order:

Move, effective May 14, 2019 to approve the suspense list in the amount of \$65,338.17 and authorize Tax Collector Colleen O'Connor to transfer these accounts to the Suspense Tax Book.

5. **Summary of Submission:**
Each year, a suspense list is prepared for taxes that are deemed uncollectible. Taxes may be placed in suspense for a variety of reasons, including uncollectible motor vehicle taxes resulting from a taxpayer moving out of state, motor vehicle taxes for deceased taxpayers, or taxes that are uncollectible due to a federal bankruptcy discharge.

Regular motor vehicle and supplemental motor vehicle taxes comprise most of the suspense list. Most of the accounts that the Tax Collector is requesting to be moved to the suspense list have moved out of town or out of state. All motor vehicle accounts are held at the Department of Motor Vehicles and the taxpayers who still live in Connecticut will not be able to register a car in the State until the taxes are paid. All of the motor vehicle tax bills have been sent to a collection agency this month.

All of the personal property taxes have been turned over to the State Marshal for collections.

6. **Financial Impact:**
If approved, \$65,338.17 will be placed in suspense. The accounts will remain collectible for 15 years.

7. **Description of Documents Included with Submission:**

- Letter from Tax Collector with Suspense List

Board of Finance Agenda Item Submission Form

- Title of Submission:** Set the Mill Rate for FY19/20
- Date of Board Meeting:** May 14, 2019
- Individual or Entity Making the Submission:**
Amy Meriwether, Finance Director/Treasurer
- Action Requested of the Board of Finance:**
If referendum questions 1, 2, and 3 pass and the Board of Finance supports a mill rate of 37.32 mills, one of, the following motions are in order:

Scenario 1 Motion:

Move, effective May 14, 2019 to set the mill rate for Fiscal Year 2018-2019 at 37.32 mills utilizing a collection rate of 99%.

Scenario 2 Motion:

Move, effective May 14, 2019 to set the mill rate for Fiscal Year 2018-2019 at 37.32 mills utilizing a collection rate of 98.5% and fund balance reserves of \$420,000.

- Summary of Submission:**
If Referendum questions 1, 2 and 3 pass, the Board will proceed to set the mill rate.

At their regular meeting on April 23, 2019, the Board of Finance discussed a proposed mill rate in preparation for the formal mill rate setting post referendum. Board members were comfortable with a mill rate of 37.32 mills. At this mill rate the Town has to subsidize a portion of the expenditure increase. There were two suggestions on how to accomplish this:

1. Increase the collection rate to 99%, offering an additional \$420,000 to be recognized in property tax collection revenues
2. Utilize \$420,000 of fund balance reserves and leave the collection rate at 98.5%

Both above options provide the same end result, however, some Board of Finance members expressed concern that if the collection rate was changed to 99% it would be utilized as the normal assumption rate going forward which would effectively reduce the yearly contribution to fund balance in future years.

In general discussions with bond consultants, it was expressed to management that from a bond rating perspective, it would be advantageous to increase the collection rate assumption as opposed to planning to utilize reserves.

State Budget Update

The town runs as voted on by the Appropriations Committee were released on April 30, 2019. Simsbury is expected to receive an additional \$3,752 in FY19/20 and an additional \$7,503 in FY20/21 as compared to the Governor's budget.

The Teacher's Retirement System contributions are not reflected in the Appropriations budget, however, the intent of making this major policy shift is still there. The Committee indicated that it was inadvertently left out and will be addressed by the Finance Committee.

6. Financial Impact:

The current town FY17/18 real estate mill rate is 36.42, the Fire District mill rate is 1.17, for a combined real estate mill rate of 37.59 mills. A Town mill rate set at 37.32 reflects an increase of 0.90 mills, or 2.47%. When factoring in the proposed Fire District mill rate of 1.20, the total rate is 38.52, which is an increase of 0.93 mills or 2.47%.
