Historic District Commission
Planning and Land Use Department
Michael Glidden – Director Planning and Community Development
Town of Simsbury CT,
933 Hopmeadow Street,
Simsbury CT 06070

Dear Mr, Glidden, Madame Chairwoman and Commission Members,

Enclosed please find an Application for a Certificate of Appropriateness for the above referenced property. Please place this item on your September 3, 2020 Agenda.

This property received at certificate of Appropriateness 19-03 and a few minor modifications are requested herewith. Additional materials including a topographical map will be provided as soon as that has been completed by the Owner's engineer.

Please contact the undersigned for any additional information.

Very Truly Yours,

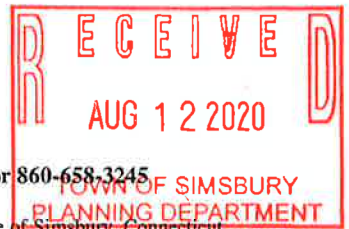

A handwritten signature in black ink, appearing to read "W. T. Case".

William T. Case, Esq

CC: Conor and Tarah Foley

APPLICATION FOR A CERTIFICATE OF APPROPRIATENESS

Date

1. Garage door color as approved under Application 19-03 to change from English Oak to Mahogany, pictures attached.
2. Front double door as approved under Application 19-03 to change from black solid wood to mahogany solid wood – all other features to remain same. Pictures attached.
3. Standing seam metal roof to be applied over the front porch, below the front gable and on top of the garage dormer, balance of roof to remain approved architectural asphalt shingles as approved under Application 19-02. Pictures attached. Current example of this can be seen at 130 East Weatogue Street where metal roof has been approved and installed. Approved 6/20/2019. Pictures attached.
4. Windows to be manufactured by Ply Gem, Style Mira 2 over 2, aluminum clad wood color black with exterior screens. These windows are similar to windows at 56, 80 and 130 East Weatogue Street. Pictures attached.
5. Porch decking to change from Brazilian Walnut to Morado – Pictures attached.
6. Change in Front and Side gables, same material as approved under Application 19-03 and color as above siding wood shingles, the style will be Board and Batten. Pictures of 85 Weatogue showing similar board and batten pattern attached.
7. Foundation height to be no less than 8" above the grade. Topographical map and survey, with site plan to be delivered to Commission.

Enjoy the handcrafted quality and rich traditional carriage house style without the maintenance of wood. The American Tradition Series™ doors contain CFC free polyurethane insulation with a calculated R-value of 13.45. They are available in thirteen solid and four wood grain base colors. Overlay boards are glued and pinned to the door and are available in the thirteen base colors, with an option to mix and match. (example: almond boards on a sandstone door) Four wood grain overlays are also available.
