Good afternoon George,

Attached please find an amended application which includes some of the additional information you were looking for. Please let me know if this answers your questions or if you need anything further.

For the "pavilion" area, I included a photo of our patio area as an example of the outdoor space. Please note that this would apply to special events only and intended to be a secure area where we may have food trucks, vendors, etc. allowing people to gather outside the building.

Also please note the following amendment to the application:

Name of Owner: Changed to Legends Hall, LLC (a lessee of BMW Sports, LLC). Original application was submitted under BMW Sports. We have created a new business entity, owned by myself and Adam Westhaver (50/50 partnership) to manage and operate the upstairs facility, which we have named "Legends Hall". This legal entity has been filed with the state of CT and will be the backer organization for the permit which will be filed with the state. I will be named as permittee on this application, with Legends Hall LLC as backer.

We wanted to make sure that it was consistent with the state application, so hopefully this will suffice for the town special exception request. If there is something additional you need to support this amendment to the application, please let us know. Under separate cover, a copy of this document will be emailed to Water Pollution Control, the Simsbury Fire Marshall, and FVHD.

We appreciate your support. Let me know if you'd like to discuss anything further. Looking forward to seeing you on the 17th.

Subject: simsbury beer/wine special exception

Adam:

I am drafting the staff report for you special exception request.

As a reminder this meeting will be on October 17 7pm at the Simsbury Library.

I think I have a good understanding of the request.

But do you happen to have a site plan for the property? It helps with explanation for the Zoning Commission?

I thought you or someone on your team shared one with me during our meeting several months ago.

Finally, I am not sure what your reference to "Pavilion" area outside actually means. Please clarify.

Otherwise, if you have any questions let me know.

george
