### **PRESS RELEASE**

The Board of Selectmen is happy to share that we have entered into contract negotiations with Marc Nelson to bring him on as Simsbury's new Town Manager. This decision was made by consensus last night and was unanimous across the 6 members of the Board. This process involved two rounds of detailed interviews, a thorough background and reference check by our consultant, an interview with the department heads, a meeting with members of town staff and a public reception. All of the feedback we received helped us confirm our decision, and we thank everyone for participating.

In addition to his years of administrative experience, Marc brings with him a collaborative spirit and an eagerness and willingness to learn what we already know – that Simsbury is a great place to live, work, learn and play. We will entrust him to take the reins as our Chief Executive Officer in the Town Manager seat.

Once a contract is agreed between Mr. Nelson and the Town through Attorney DeCrescenzo, the Board of Selectmen will hold a public vote to accept the contract and approve Marc Nelson as the next Town Manager of the Town of Simsbury.

### **BOARD OF SELECTMEN BUSINESS:**

After consulting with Attorney DeCrescenzo it has been determined that it is best to add the action requested on the East Coast Greenway Study Preferred Alternative Endorsement presentation cover memo to the Selectmen Action portion of the agenda. I would recommend this being added prior to item A under Selection Action. This can be done with a motion and vote by 2/3 of the Board.
