Revised Fee Schedule

June 19, 2013

Tom Roy
Town of Simsbury
933 Hopmeadow St.
Simsbury, CT 06070

Dear Mr. Roy:

Paine's is excited to be a partner with the Town of Simsbury and assist in their recycling efforts. With that in mind, please be aware that over the past few months we have added 3-7 plastics, large hard plastics and started recycling mattresses at the Simsbury Bulky Waste Facility. We expect to shortly be able to accept latex paint for recycling.

Attached is a copy of proposed changes we are requesting the Town's approval to implement. The changes are for a few of the disposal fees for items that are brought in for disposal at the Simsbury Bulky Waste Facility by the Town's residents.

There are four items that we would like to request an increase of \$1.00 per item/load or cubic yard and we would like to decrease the charge for disposal for the larger mattresses. We have marked these items on the attached sheet which shows the current pricing and the change we are proposing. The current pricing has been in effect since February 1, 2011.

Thank you for your time and consideration. Please let us know if we have the Town's approval to implement these changes.

Sincerely,

Russell A. Paine
Vice President

This Fee Schedule has been developed so that bulky waste disposal and recycling services can continue to be offered to Simsbury residents. Recycling drop off remains free after the purchase of the annual permit.

The reasons for these changes reflect environmental permit conditions and the costs associated with handling, shipping and disposal of bulky waste. In order to control your costs, recycle all appropriate material and dispose any non-recyclable material in your curbside container that will fit. If you have any questions, please contact Paine's, Inc. at (860) 844-3000.
