No action taken by the Board with respect to such rights, responsibilities, and prerogatives other than as there are specific provisions herein elsewhere contained shall be subject to the grievance provisions of this Agreement.

ARTICLE V
GRIEVANCE PROCEDURE

A. Purpose and Prerequisite

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to problems which may arise under the specific provisions of this Agreement.

B. Definitions

1. A "grievance" shall mean a complaint by the President of the Federation or his/her designee, a member or members of the bargaining unit that as to him, her or them, there has been a violation of a specific provision or provisions of this agreement to the detriment of the member or members involved.
2. An "aggrieved person" shall mean the President of the Federation or his/her designee, the person or persons bringing the complaint.
3. The term "days" shall mean work days.

C. Procedure

1. Level One - Principal or Immediate Supervisor

- a. An aggrieved person shall first discuss the grievance with his/her principal or immediate supervisor with a view toward resolving the matter informally. In the event that the aggrieved person is not satisfied, he/she shall submit the grievance in writing to such supervisor or principal. The written statement of the grievance shall contain a statement of the facts, the relief requested and a reference to that provision or provisions of the agreement which the aggrieved person claims has or have been violated.
- b. If a member of the unit has not filed a written grievance at Level One within ten (10) school days after the act or occurrence giving rise to the grievance, then the grievance shall be waived.

2. Level Two - Superintendent of Schools

- a. In the event that the aggrieved person is not satisfied with the disposition of the grievance at Level One, or in the event that no decision has been rendered within five (5) days after presentation of the grievance in writing, the aggrieved person may appeal the grievance to the Superintendent of Schools within five (5) days after the decision at Level One or ten (10) days after the grievance was presented in writing at Level One, whichever is sooner.

- b. The Superintendent shall represent the administration at this level of the grievance procedure. Within ten (10) days after receipt of the written grievance by the Superintendent, the Superintendent of Schools or his/her designee shall meet with the aggrieved person in an effort to resolve the grievance.

3. Level Three - Arbitration

- a. In the event that the aggrieved person is not satisfied with the disposition of the grievance at Level Two or in the event no decision has been rendered within five (5) days after the aggrieved person has met with the Superintendent or his/her designee, the aggrieved person may file a written request with the Federation for arbitration. Upon receipt of a request for arbitration, the Federation shall determine whether or not the grievance is, in its judgment, meritorious and shall notify the Board of Education of its decision within five (5) days of receiving the request for arbitration. Only the Federation shall have the right to submit a grievance to arbitration.
- b. If the Federation determines that the grievance is meritorious, it shall within the next succeeding five (5) days submit a request for arbitration to the American Arbitration Association or the State Board of Mediation and Arbitration. The arbitrator selected shall conduct a hearing as soon as possible on the grievance and shall render a decision within thirty (30) days from the date of the hearing. The decision of the arbitrator shall be in writing and shall be final and binding upon the parties.
- c. The arbitrator shall hear and decide only one grievance in each case and shall be bound by the provisions of this agreement with no power to add to, modify, or amend any of the terms of the agreement.

D. Miscellaneous

1. The Board and the Federation agree that grievance proceedings should be kept as informal and confidential as may be appropriate consistent with relevant state and federal statutes.
2. Since it is important that grievances be processed as rapidly as possible and at the lowest administrative level, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process.
3. Failure at any step of this procedure to communicate a decision within the specified time limits shall permit the aggrieved person to proceed immediately to the next step. Failure at any step to appeal within the specified time limits shall be considered acceptance by the aggrieved person of the decision rendered and such decision shall thereafter be binding upon all parties.
4. It is understood that employees shall, during and notwithstanding pendency of the grievance, continue to observe all assignments and applicable rules and regulations of the Board and the administration until such grievance and any effect thereof shall have been fully determined.

5. Meetings held under this procedure shall be held at a time and place which will afford a fair and reasonable opportunity for all proper persons to be present. Persons proper to be present for the purposes of this article are defined as the aggrieved person, his/her representative and witnesses.
6. All documents, communications and records dealing with the proceeding of a grievance shall be filed separately from the personnel files of the participants.
7. The aggrieved person may be represented at any step of the grievance procedure by a person of his/her choosing. When an aggrieved person is not represented by the Federation, the Federation shall have the right to be present and to state its views at all steps of the grievance procedure.

ARTICLE VI

Special Education vacancies that occur after February 1 and before the last day of school of any academic year may be filled on an interim basis through the end of that academic year. The position will be posted in accordance with Section A above. Reassignments may be deferred by the Board until the following academic year to avoid unwarranted disruptions to programs and services.

- C. Personnel covered by this agreement may apply for transfer or promotion at the time of the announcement of vacancies within the bargaining unit and will be granted a first round interview. Qualifications shall be stated at the time of a vacancy announcement, and positions may be posted externally concurrently. The final decision will rest with the Superintendent of Schools / designee.
- D. New employees shall be considered probationary for a period of ninety (90) working days from the date of hire. Such employees may be discharged at will during this probationary period and no such discharge shall be subject to the grievance or arbitration procedure. Those personnel scheduled to work 241 or more days per year are called 52-week employees; those personnel scheduled to work between 220 and 240 days are called 44-week employees; those personnel scheduled to work the school calendar plus 10 additional days and have 5 paid holidays are called 195 day employees; all other personnel covered by this agreement who are scheduled to work the school calendar of up to 180 days plus 5 paid holidays are called 185 day employees. In the remainder of this document, days will be used for consistency where possible when referring to employee schedules.

F. Should central administration adopt a change in administration procedures affecting payroll, or related payroll areas, they will notify the individual, individuals, and/or Federation of said change.

G. School Closings, Delayed Openings, and Early Releases

1. In the event that the superintendent/designee cancel school due to inclement weather, the superintendent/designee will initiate the phone chain to inform personnel working 220 or more days of their report time. If employees are not able to report at the designated time, those employees who are eligible for Paid Time Off may elect to use such time for an absence, or such employees may elect to take an absence on a salary-deduct basis. 185 and 195 day employees do not report.

2. In the event that the Superintendent / designee delays the opening of school due to inclement weather, federation employees that work 220 or more days per year should report to work at their regularly scheduled time. If the Superintendent / designee determines that employees should report to work at a different time, the Superintendent / designee will initiate the phone chain to inform these employees of a change in report time. If employees are not able to report when expected, those employees may utilize PTO or vacation time for their absence or such employees may elect to take an absence on a salary-deduct basis.

3. In the event that the Superintendent / designee delays the opening of school due to inclement weather, federation employees that work less than 220 days per year aka (185 and 195 days) should report to work at the delayed arrival time. These employees are not required to report to work at their regularly scheduled time. However, they will be compensated for the regularly scheduled hours provided they report to work at the delayed arrival time.

4. When central administration deems it necessary to close all schools early due to hazardous road conditions, all school building based personnel covered by this Agreement, with the exception of the secretary to the building principal, will be permitted to leave upon departure of the last school bus. The secretary to the building principal must remain at school until one-half hour after the last school bus has departed. Additionally, if an individual school is closed due to conditions which do not present a hazard to the health and well being of employees, personnel covered by this Agreement shall remain at their assignment. In the event that the temperature in the areas where these employees normally work is below or exceeds usual expectations, they will be assigned to an area within that school where usual expected temperatures are maintained to do work consistent with their job descriptions. In the event that no area is

available in the school where expected temperatures can be maintained, personnel covered by this Agreement will be dismissed for the remainder of the day.

5. Personnel covered by this agreement shall remain at work on early release days that are not for inclement weather for their normal hours and are expected to assist with duties as assigned by the building principal.

ARTICLE VII

SPECIAL EDUCATION PARAEDUCATORS

A special education paraeducator is considered a permanent position, contingent on satisfactory evaluation and staffing needs within the Simsbury Public School System. The employment of a special education paraeducator is not limited to the support of one student.

If administration deems it necessary to request a full-time paraeducator to be assigned to one student, thereby making the position contingent upon the student's attendance and needs, administration will seek approval from the federation prior to filling such a position.

The district may require that a special education paraeducator transfer with his/her primary student or transfer for district staffing needs. If this transfer would result in the loss of hours for a special education paraeducator (i.e. 34.25 hours / week to 34 hours/ week), the district will protect the hours of said paraeducator: if the transfer takes place in the summer, hours will be protected for one school year; if the transfer takes place during the current school year, hours will be protected for the remainder of the current school year.

After February 1 of any given year, Federation special education paraeducator positions that become available during that school year due to the unexpected move into district of a child in need of said support or the resignation of a currently employed federation level special education paraeducator, said position will be filled on an interim basis until the last school day of that academic year. These positions will be posted according to specified contract language in Article VI. Reassignments may be deferred by the Board until the following school year to avoid unwarranted disruptions to programs and services.

There may be circumstances beyond the Board's or Federation's control that require immediate and permanent assignment of staff. To that end, an employee who applies for and is chosen to fill a posted vacancy that opens during the school year at the discretion of the Superintendent of Schools or his/her designee may be transferred to said new position following a period no less than two weeks duration to allow for coverage of the now vacated position.

ARTICLE VIII
