MEMORANDUM

To: Mary A. Glassman, First Selectman
From: M. Lecours-Beck, Director of Social Services
Date: September 10, 2013
Re: Youth Services Advisory Board

As you know, the Simsbury Youth Advisory Board is required by the State Board of Education in order to receive our annual Youth Service Bureau Grant. We receive \$20,250 each year (together with an \$8,000 town match) to provide services to youth and their families within our community.

Board composition, which is mandated, includes representatives from the Simsbury school system, police, youth serving agencies, and of course, our youth.

Each year we experience a change in the student membership as they graduate from high school. As a result, we need to request additional student appointments annually. This year, we have six (6) enthusiastic high school students (listed below) who we would like to add to the Board membership.
