Subject: Re: Request for Board and Commission Evaluation of Deepwater Wind Petition - Solar Project in Simsbury

Hi Tom, The Library Board discussed this request at its regular meeting on Monday, July 17, 2017. The Board felt it had neither the expertise or technical background to give an opinion. It also thought it wasn't within the Board's purview to comment.

If you have any questions, please let me know.

Marianne O'Neil

Chair, Simsbury Public Library Board of Trustees
