Lisa L. Heavner
First Selectwoman
Town of Simsbury
933 Hopmeadow Street
Simsbury, CT 06070

Dear First Selectwoman:

On behalf of the Simsbury Public Building Committee, the Committee at the July 11, 2017 meeting discussed the pending Petition for a Declaratory Ruling with the Connecticut Siting Council for a 26.5 megawatt solar project (Tobacco Valley Solar) located on 289 acres off County Road and Hoskins Road. This discussion was in response to your request of July 3, 2017 asking for any comments, areas of concern or recommendations identified by the Public Building Committee relative to the Petition. You also asked the Committee for guidance on any additional information or studies that may be required to fully evaluate the proposal from the town's perspective.

After discussion, members of the Committee determined that they had no comment on the Petition at this time. Thank you for reaching out to the Committee on these matters of importance to the town.

Sincerely,

Richard Ostop, Chairman
Simsbury Public Building Committee
