Professional & Technical Services - 2020 Small Cities Grant**

Below are responses to the questions we have received to date. Responses are in bold font.

*Question:* There doesn't seem to be much information about what your goal is with the received funding. Could you provide more detail?

*Response:* **To date, the only entity that has expressed interest in seeking Small Cities funding through the Town of Simsbury is the Simsbury Housing Authority. Should the Housing Authority's project be improved by the Simsbury Board of Selectmen, the project would include various capital items at its Owen L. Murphy Apartments located at 1600 Hopmeadow Street, Simsbury, CT. This work would include items such as window and door replacements, electrical work, and bathroom updates.**
