ADDENDUM 3

REQUEST FOR PROPOSALS

FOR

**Public Works Truck Wash
Mechanical and Wash System Design and Construction**

In reviewing this project as it relates to other improvements at our facility, we have determined that under Connecticut General Statutes we are required to have all contractors working on this project, comply with Connecticut Department of Labor Prevailing Wage Requirements.

Please include the following language in the Scope of Work for this Invitation to Bid:

WAGE RATE REQUIREMENTS

Wage Rates are subject to change July 1, 2014. Contractor shall account for anticipated wage rates. The Owner will not be responsible for any cost incurred due to wage rate increases during the time of the project.

Each contractor furnish proof with the weekly certified payroll form for the first week each employee begins work on such project that any person performing the work of a mechanic, laborer or worker pursuant to the classifications of labor under section 31-53 on such public works project, pursuant to such contract, has completed a course of at least ten hours in duration in construction safety and health approved by the federal Occupational Safety and Health Administration or, has completed a new miner training program approved by the Federal Mine Safety and Health Administration in accordance with 30 CFR 48 or, in the case of telecommunications employees, has completed at least ten hours of training in accordance with 29 CFR 1910.268.

Wage Rates have been requested from the CT Department of Labor and will be provided via an addendum as soon as they are received.

Proposal Due Date is hereby extended to Thursday August 25, 2016
