All engagements will be paid as a minimum of 4-hours, with each hour thereafter being charged at the normal hourly rate.

The Town is soliciting rates that will be used on an as-needed basis and there is no guarantee for minimum work under this engagement and it is the Town's intention is to keep these rates on file for a period of 2-years. We understand that selected equipment may not be available at all times and that equipment may be bought or sold during the duration of the contract.
