

## **Town of Simsbury 2019 Annual Stormwater Report Available for Public Comment**

Pursuant to the requirements of Connecticut Department of Energy and Environmental Protection (CTDEEP) General Permit for Stormwater Discharges from Small Municipal Separate Storm Sewer Systems (MS4), the Town of Simsbury has prepared its Draft 2019 Annual Stormwater Report, which is a reporting on progress relative to the Town of Simsbury Stormwater Management Plan (SWMP).

The MS4 General Permit and SWMP was issued on July 1, 2017. Progress and updates to the permit and plan will be described in the Annual Report, which will be sent to DEEP by April 1<sup>st</sup> of each year.

The draft annual report is available for public review and comment prior to its finalization as part of the MS4 Permit Program. Hardcopies of the report are available during regular business hours at the Simsbury Engineering Department, 933 Hopmeadow Street, Simsbury, CT, or electronically on the Engineering Department webpage (<https://www.simsbury-ct.gov/simsbury-ms4-program>)

Members of the public should submit their comments by US Mail to:
