

Access Community Programming through Simsbury Community Television (SCTV)

Simsbury Community Television (SCTV) has served as the Town of Simsbury's local access television station since 1984. With one full-time staff member, two part-time staff members, and many volunteers, SCTV provides over 275 hours of programming per week!

SCTV broadcasts over 100 Town Board, Committee, and Commission meetings per year. Meetings are broadcast live on TV and online, are often rebroadcast on TV, and are archived and available anytime online at <https://www.simsburytv.org/>.

SCTV offers three channels:

Government Channel

The government channel broadcasts meetings of the Board of Selectmen, Board of Finance, Planning Commission and Zoning Commission, interviews with public officials, and other public meetings. Xfinity customers can find this programming on channels 96 and 1090, and Frontier customers can find it on channel 6071.

Public Channel

The public channel features content from people who live and work in Simsbury. Xfinity customers can find this programming on channels 5 and 1084, and Frontier customers can find it on channel 6069.

Education Channel

The education channel broadcasts Board of Education meetings, school programs, and other education-focused programming. Xfinity customers can find this on channels 95 and 1070, and Frontier customers can find it on channel 6070.
