ADDENDUM No. 2

TOWN OF SIMSBURY

Request for Proposals

FOR

POWER PURCHASE AGREEMENT FOR SOLAR PHOTOVOLATAIC SYSTEMS

The information provided in this Addendum is intended to supplement and clarify the existing information in the RFP and is not to replace any part of the specification unless clearly indicated as such.

The Town of Simsbury held a voluntary site visit on Friday the 26th of May 2017 at 12:30PM. Unfortunately, during the visit we were unable to access the electrical room of the Ice Rink, 100 Old Farms Rd., Simsbury, CT 06070. Also, several prospective proposers were not able to attend the voluntary site visit.

Given these issues a second voluntary site visit will be conducted on **Tuesday, June 6, 2017 at 10:00 AM**. The deadline for all questions will be extended until Wednesday, June 7, 2017. All other key dates will remain the same.

The purpose of this site visit is to clearly provide an overview of the project and conduct a basic walkthrough of the facilities highlighted in the RFP. The meeting will be held in the upstairs office at the Simsbury Department of Public Works located on 66 Town Forrest Rd, West Simsbury CT, 06092. All prospective prospers are encouraged to attend.
